An equal opportunity institution
We are proud to announce the completion of our three Centers of Excellence for Veteran Student Success. Each center is staffed with trained and certified personnel to assist our student veterans in their transition back into civilian life.

Each Veteran Student Success Center displays a Wall of Honor, to pay tribute to the men and women who have served our country. Please consider honoring a family member or loved one through the purchase of a custom made brass name plate. Each fully tax deductible plate costs $250 which includes the engraving of name, rank, and branch of service. Your contribution will honor veterans, past or present, and will help veteran students with immediate financial needs giving them the support necessary for academic success. THANK YOU!
