San Jacinto College North

Room N6.220 Welcome Center Building

COMPASS and ESL Testing Schedule

IMPORTANT INFORMATION: Before taking the COMPASS you must consult with an Educational Planner in the Center for Student Development (room N6.120), or an Enrollment Specialist in the Office of Enrollment Services (room N6.160). The Educational Planner or Enrollment Specialist will give you a Testing Request Form that you must bring with you to the test.

COMPASS testing at San Jacinto College North is for incoming or existing San Jacinto College Students only. Testing for admission to other institutions should be arranged as a “remote” test through the attending college, or taken at the institution of intended registration. You may also take the official state test, Quick THEA, available several times each month throughout the year given at San Jacinto College North. See website for details. http://www.sanjac.edu/node/8018

TEST EARLY! It is important that testing is completed well in advance of registration. Seating is limited during registration periods. See the website for monthly calendar of testing. http://www.sanjac.edu/node/6160
