San Jacinto College
Continuing and Professional Development

CPR COURSES - Campus / Textbook / Attendance – Information & Receipt

I, (Print Name) _____________________________________________________ acknowledge the receipt of the following information about the CPR class I have enrolled into at San Jacinto College.

REQUIRED**

| CAMPUS: ____________________________ | Course Date: ____________________ |
| Day: ____________________________ |

**Note: Student may register at any campus. Please confirm Campus location of your course.

BOOKS - Students must have the CPR book for the course on or before arrival at the start of class. 

Books are an additional cost. The college bookstore closes at 4:30 on Friday, and is closed on Saturday, Sunday and holidays during the fall and spring terms. Summer hours are modified – please check the website for additional information: http://www.sanjac.edu/student-services/student-success-facilities/bookstores.

Students without books will be sent home.

ATTENDANCE - Students must arrive at class on time. Students who arrive after the class start time may be too late to catch up on the material they missed (as determined by the instructor). Late students may be sent home.

Students who are sent home, for the above reasons, will not receive refunds nor be allowed to reschedule their CPR class. Students may enroll for another class, but will need to pay for the course again.

I have received a copy of this document.
