

FOCUS ON YOUR CAREER

WITH FOCUS 2!

Career Services, San Jacinto College

What is FOCUS 2?

FOCUS 2 combines self-assessment, career and major exploration, decision making, and action planning to guide you through a reliable career and education decision making model. FOCUS 2 will help select your major in college, make informed career decisions, and take action towards your desired career.

A good strategy is to use FOCUS 2, then think about and discuss your results with you career counselor or academic advisor. Then continue to use FOCUS 2 as an ongoing resource

How much time it take to complete?

Typically the total time spent by students the first time they use FOCUS 2 ranges from 1 to 2 hours. Of course, you can take as much time as you need.

The Career Readiness & Self Assessments modules can usually be completed in approximately 45 minutes. You can log back on at any time to spend additional time researching over 1,000 different occupational choices and viewing career videos.

How do I create an account with FOCUS 2?
