Emergency Closings

Providing a safe and secure environment for our students, faculty and staff is a top priority at San Jacinto College. In the event the College needs to be closed for any situation, such as inclement weather, students and employees should refer to email, text and messages, and the College website at www.sanjac.edu. In addition, local television and radio stations may also broadcast bulletins announcing campus closings in emergency situations. Students and employees are encouraged to sign up for the SJC Alert Me system to receive voice and text messages in the event of a College closure. SJC Alert Me will provide San Jacinto College with another communication tool to keep students, faculty, and staff informed during threatening situations and weather-related closings. In order to receive voice and text messages, you must provide your telephone and/or cell phone number. There is no cost to sign up for this notification service. However, when the system sends a message to your personal phone, you are responsible for any charges from your phone service provider associated with receiving voice or text messages.
