SUTURING FOR THE SURGICAL TECHNOLOGIST

Suturing for the Surgical Technologist

Prerequisites: None
For the practicing surgical technologist, this course provides a didactic and skills approach to learning the role of the operating room staff in the care and handling of operative wounds, and supplying, preparing and placing of sutures. Specific suturing skills will be practiced. Approved by the Association of Surgical Technologists, Inc. for the CST and CSFA.

Note: Student must bring a small bag of pig’s feet. See website for additional information.

COST: $165 AST CE HRS: 8
