SAN JACINTO COLLEGE
A Publication of the Continuing & Professional Development Division of the San Jacinto Community College District
Training and Educational Solutions for Workers and Employers

The Continuing & Professional Development division of San Jacinto College offers programs and courses for individuals to retain or advance in their jobs or make career transitions. We provide training to companies and their employees to meet employers’ demands for a highly skilled workforce, while helping incumbent workers reach their potential.

No matter what your professional and educational goals, Continuing & Professional Development at San Jacinto College is your training connection for career success. Our courses are designed to provide practical skills and hands-on training in a targeted, time limited, training environment rather than a purely academic background. We stand ready to help you manage the rapid changes and new realities of today’s workplace.

### Linked Classes

| Linked | Classes labeled “Linked” are held in conjunction with academic/credit classes. Enrollment into these sections is limited and is on a space-available basis. CPD students in linked CE sections do not have to be admitted into the College and are TASP/THEA exempt. Courses that are linked with academic courses will adhere to the stated Continuing & Professional Development refund policy. |

### Key to Days of Week

Nov 30-Dec 16  6 p.m.-10 p.m.

Portrait Photography
PHTC 1091
Prerequisite: Introductory Professional Photography and completion or concurrent enrollment in Intermediate Professional Photography.
Study the photographic principles applied to portrait lighting, posing, printing, and subject rapport. You will learn to use a variety of basic lighting patterns; relate the principles of subject rapport and aesthetic posing methods; produce effective finished portraits; and analyze the subject. The photography will be done in color and/or black and white. The students will produce a portfolio of their work from at least five different portrait sessions that will be critiqued by the instructor and their fellow classmates. The students will provide their own digital camera or 35mm single lens reflex cameras, memory card, and film processing.

Health Occupations

EMERGENCY HEALTH

**CPR for Healthcare Providers**

**EMSP 1019**

Prerequisites: Student must arrive at class on time with current textbook. SJC Bookstore is not open on weekends and closes at 4:30 on Friday. See Note.

Note: The current textbook is required to attend class. Students MUST arrive at class on time. Late students or students without books will be sent home. Students sent home for these reasons will NOT be transferred to another class or receive a refund. This CPR course is for Healthcare Providers and Professional Rescuers. It will meet the requirements for initial certification and recertification for industrial rescue workers, nurses, nursing students, EMT’s and other allied health professionals involved with patient care. The class will include the use of Automated External Defibrillators (AEDs), and provide the lifesaving skills for respiratory and cardiac emergencies involving adults, children, and infants. Successful completers will receive an American Heart Association (AHA) certification. This course was designed to be repeated multiple times to improve student proficiency.

**First Responder Training (ECA)**  
EMSP 1005  
Prerequisites: 18 years old, high school or GED.  
Note: Textbook required.  
This is an entry level course into emergency medical care. It will prepare students for the National Registry and Texas state certification as an Emergency Medical Responder. This course is also referred to as Emergency Care Attendant, First Responder, or ECA. A CPR card for the Healthcare Provider is required and this training is included in the course. The course also provides the skills training necessary to maintain basic life support for sick or injured patients. Individuals who deal with groups of people on a daily basis, such as day care employees, teachers, lifeguards, firefighters, police, etc. would also find this course useful. Upon successful completion of the course, students are eligible to test with the National Registry for certification as an Emergency Medical Responder (EMR). Currently certified participants may use the 56 training hours for on-going continuing education for ECA, EMT or Paramedic recertification. Emphasis is on requirements of national and state accrediting agencies.

**Certified Nurse Aide Training**  
NURA 1001  
Prerequisites: Current negative TB, American Heart Association Health Care Provider CPR, Background check through PreCheck is required & is an additional student expense. No GED/HS diploma is required. Students 16-17 are eligible for certification by the state agency, DADS. Parental wavier is required if under 18.  
Note: Textbook and clinical scrubs are required. Registration after the first class meeting is not allowed. Physical requirements: Must be able to squat, bend and lift or assist with 100 pounds. Students with medical conditions, including pregnancy, must have a release from their physician, prior to class start date. Enter the field of nursing by becoming a Certified Nurse Aide. This class will teach you the skills, knowledge and abilities to care for residents of long-term care facilities. You will learn how to provide safety and preventive measures in the care of residents as well as how to function as a member of the health care team. You will be prepared for entry level employment in long-term care facilities, hospitals, and doctor’s offices. After completion of the class, you will be eligible to take the State of Texas Certified Nurse Aide Certification Exam. Includes 40 hours of clinical practice (Five 8 hour days). *This course of study prepares candidates to be certified. Candidates become “Certified” by passing the required certifying agency exam.

**DRAFTING**

**Advanced Computer-Aided Drafting**
DFTG 2032
Prerequisite: DFTG 1409 or department chair approval.
This course covers advanced techniques, including the use of a customized system, and presentation of advanced drawing applications, such as three dimensional solids modeling and linking graphic entities to external non-graphic data. (DFTG 2432)

- **$343** CEUs 9.6 HRS: 96
  - 50088 North Th
  - Aug 27-Dec 11 6 p.m.-8:45 p.m.
**Advanced Technologies in Pipe Design and Drafting**

DFTG 2057  
Prerequisite: DFTG 2423 or department chair approval. No Textbook Required. 
Advanced design and production techniques using specialized process plant based design software. (DFTG 2457)

**Basic Computer-Aided Drafting**

DFTG 1009  
Prerequisite: DFTG 1405 or DFTG 1413 or approval of department chair. Textbook Required. 
This course is an introduction to computer-aided drafting with an emphasis on setup, creating and modifying geometry; storing and retrieving predefined shapes; placing, rotating, and scaling objects, adding text and dimensions, using layers coordinate systems, and plot/print to scale. (DFTG 1409)

**Commercial Wiring**

ELPT 1045

Prerequisite: None

Note: Textbook Required

This course provides instructions in commercial wiring methods. It includes overcurrent protection, raceway panel board installation, proper grounding techniques, and associated safety procedures. The National Electrical Code (NEC) is used to size branch circuits, feeders, service equipment, outlet and junction boxes, and conduit; and installation of lighting and utilization of equipment. Students gain experience in safe workplace practices, the proper use of hand tools and ladders, interpreting blueprints and specifications, bending and installation of conduit, installation of armored cable, and wiring of devices, load centers and service equipment. (ELPT 1345)

**Electrical Calculations I**

ELPT 1015

Prerequisite: None. Textbook Required.

Introduction to mathematical applications utilized to solve problems in the electrical field. Topics include fractions, decimals, percentages, simple equations, ratio and proportion, metric conversion, and applied geometry. Electrical calculations to solve DC and AC electrical circuits are included. (ELPT 1215)

**Electrical Calculations II**

ELPT 2015
Prerequisite: ELPT 1215 or approval by department chair. Textbook Required.
This is the further study of mathematical applications used to solve problems in the electrical field. The course includes fractions, decimals, ratio and proportion, applied geometry, and utilization of right triangles to calculate electrical values. It also includes power factor correction, fault currents, neutral currents, conductor ampacity, and other advanced calculations. (ELPT 2215)

**Electrical Planning & Estimating**

ELPT 2037
Prerequisite: ELPT 2325 or approval by department chair. Textbook Required.
This course covers planning and estimating for residential, commercial and industrial wiring systems. Statistical procedures of various methods of estimating are introduced along with a variety of electrical techniques. (ELPT 2337)

$305  CEUs 6.4  HRS: 64
50032  Central  Th
Aug 27-Dec 11  6 p.m.-9:40 p.m.

**Electrical Systems Design**

ELPT 2043
Prerequisite: ELPT 2325 or approval by department chair. Textbook Required.
This is a course in electrical design of commercial and/or industrial projects, including building layout, types of equipment, placement, sizing of electrical equipment, and all electrical calculations according to the requirements of the National Electrical Code (NEC). (ELPT 2343)

$281  CEUs 4.8  HRS: 48
50033  Central  M
Aug 24-Dec 11  6 p.m.-8:55 p.m.

**Industrial Wiring**

ELPT 1057
Prerequisite: None
Note: Textbook Required.
This course covers wiring methods used for industrial installations. It includes motor circuits, raceway and bus way installations, proper grounding techniques, and associated safety procedures. (ELPT 1357)

RESIDENTIAL AIR CONDITIONING

HART 1041
Prerequisite: HART 1401 and HART 1407 or department chair approval. Textbook Required.
A study of components, applications, and installation of mechanical air conditioning systems including operating conditions, troubleshooting, repair, and charging of air conditioning systems. (HART 1441)

$348 CEUs 9.6 HRS: 96
50096 North TTh
Aug 25-Dec 11 6:05 p.m.-9:05 p.m.
50095 North MW
Oct 19-Dec 11 8:05 a.m.-10:05 a.m.
Oct 23-Dec 11 8:05 a.m.-9 a.m.

NON-DESTRUCTIVE TESTING

ADVANCED ULTRASONICS

NDTE 2001
Prerequisite: NDTE 1454. No Textbook Required.
Emphasis is placed on examination of components and characterization of flaws using advanced techniques. (NDTE 2401)

$305 CEUs 9.6 HRS: 96
50049 Central Sa
Sep 12-Dec 06 8 a.m.-3:40 p.m.

EDDY CURRENT TESTING

NDTE 1040
Prerequisite: None. Textbook Required.
This course covers the general principles of Eddy Current Testing including theory, knowledge, and skills for basic examination; effects of material properties, probe types, calibration standards, and equipment selection. (NDTE 1440)

$352 CEUs 9.6 HRS: 96
95464 Central MW
Aug 24-Dec 11 1:45 p.m.-4:45 p.m.
50048 Central FSa
Sep 11-Dec 06 6 p.m.-9:35 p.m.

TO REGISTER: All campuses 281-542-2020
**Introduction to Ultrasonics 1 & 2**

NDTE 1005
Prerequisite: None. Textbook Required.
The course covers the basic theory and applications of the ultrasonic techniques of materials testing covering the theoretical material from the certification test for Ultrasonic Level 1 American Society of Non-Destructive Testing (NDTE 1405)

**$352** CEUs 9.6 HRS: 96
95456 Central MW
Aug 24-Dec 11 1:45 p.m.-4:45 p.m.

**Liquid Penetrant & Magnetic Particle**

NDTE 1010
Prerequisite: None. Textbook Required.
This course is a theoretical study and practical application of the non-destructive testing techniques of penetrant and magnetic particle testing required by quality assurance and test personnel. (NDTE 1410)

**$352** CEUs 9.6 HRS: 96
95461 Central MTWThF
Aug 24-Oct 16 8 a.m.-10:15 a.m.
95462 Central MW
Aug 24-Dec 11 1:45 p.m.-4:45 p.m.
95463 Central MW
Aug 24-Dec 11 7 p.m.-10 p.m.
50047 Central Sa
Sep 12-Dec 06 8 a.m.-3:40 p.m.
50046 Central MTWThF
Oct 19-Dec 11 8 a.m.-10:20 a.m.

**Metrology and Blueprint Reading**

QCTC 1048
Prerequisite: None. Textbook Required.
This is the study of the terminology, methodology, and practice of measurement systems and equipment in the calibration and use of basic measuring tools. (QCTC 1448)

**$305** CEUs 9.6 HRS: 96
50052 Central FSa
Sep 11-Dec 06 6 p.m.-9:35 p.m.

**Preparation for Certified Welding Inspector Exam**

NDTE 2011
Prerequisite: Three years technical experience. Textbook Required.
This course covers welding fundamentals, welding inspection and code interpretation and the principle portion in preparation of the certified welding inspector examination. (NDTE 2411)

**$305** CEUs 9.6 HRS: 96
95465 Central MW
Aug 24-Dec 11 7 p.m.-10 p.m.

**Quality Assurance**

QCTC 1043
Prerequisite: None. Textbook Required.
Information on quality assurance principles and applications; designed to introduce the student to the quality assurance profession. (QCTC 1343)

**$305** CEUs 6.4 HRS: 64
95467 Central MW
Aug 24-Dec 11 5 p.m.-6:50 p.m.

**Standards**

QCTC 2031
Prerequisite: None. Textbook Required.
A study of philosophy and theory of standards, appropriate standard organizations and systems, integration to the application of standards criteria in society. (QCTC 2331)

**$305** CEUs 6.4 HRS: 64
95471 Central MW
Aug 24-Dec 11 5 p.m.-6:50 p.m.
50055 Central TTh
Aug 25-Dec 11 8 p.m.-9:50 p.m.
50053 Central MTWThF
Oct 19-Dec 11 2:00pm-4:20pm

**Statistical Process Control**

QCTC 1041
Prerequisite: Math level 7. Textbook Required.
This course focuses on components of statistics including techniques of collection, presentation, analysis, and interpretation of numerical data as applied to statistical control. It stresses application of correlation methods, analysis of variance, dispersion, sampling quality control, reliability, mathematical models, and programming. (QCTC 1341)

**$305** CEUs 6.4 HRS: 64
95466 Central MW
Aug 24-Dec 11 7 p.m.-8:50 p.m.
**Testing and Inspection Systems**

QCTC 1046

Prerequisite: None. Textbook Required.

This is a study of testing and inspection systems including pertinent specifications, inspection tools, gauges, instruments and mechanisms in illustrating the need for maintaining quality to establish standards. It covers the applications and methods of solving quality control and inspection problems using the appropriate testing and inspection methods such as AET, ET, LT, MT, PT, RT, UT, and VT. (QCTC 1446)

**Welding Metallurgy I**

METL 1001

Prerequisite: None. Textbook Required.

This is a study of metallurgy and its application related to welding including studies of metal characteristics, testing, effects of alloying and heat treating, and basic properties, with an emphasis on conducting tests and metallographic techniques. (METL 1405)

**Occupational Health & Safety**

**Certified Occupational Safety Specialist (COSS)**

OSHT 1003

Prerequisite: None.

Note: Materials provided.

This course is designed to build core competencies in the field of safety for adult learners. COSS is a highly intensive, highly interactive course that focuses on providing individuals who are responsible for safety, the tools and techniques they need to make safety work for them.

**Pipefitting**

**Advanced Pipefitting Standards, Specifications, and Installation**

PFPB 2032

Prerequisite: PFPB 1308 and PFPB 1343

The course covers skill development in motorized equipment, above-ground pipe installation valves, field routing and vessel trim, spring can supports, testing piping systems and equipment, basic plumbing, planning work activities, and Non-Destructive Testing (NDT). (PFPB 2332)

<table>

**Pipefitting Fabrication & Blueprint Reading**

**PFPB 1043**

Prerequisite: PFPB 1308

Continuation of pipe fabrication, rigging, pipe hangers and supports, blueprint reading, standards and specifications, and trade math. (PFPB 1343)

$305  CEUs 8.0  HRS: 80

50100  North  MTWTh

Sep 21-Oct 16  6 p.m.-10 p.m.

**Pipefitting: Advanced Fabrication and Installation**

**PFPB 2033**

Prerequisites: PFPB 1308 and PFPB 1343

Advanced pipe fabrication and pipe alignment for rotating equipment. Includes identifying, describing, applying, and maintaining stream traps, in-line specialties, special piping, hot taps, and valves. (PFPB 2333)

$305  CEUs 8.0  HRS: 80

50102  North  MTWTh

Nov 16-Dec 11  6 p.m.-10 p.m.

**Pressure Piping Inspection**

**NDTE 2039**

Prerequisite: None. Textbook Required.

This course covers the general principles of pressure vessel inspection. It covers American Society of Mechanical Engineers (ASME) and American Petroleum Institute (API) documents that pertain to pressure piping inspection. It prepares students to take the API 570 certification examination. (NDTE 2339)

$305  CEUs 6.4  HRS: 64

50050  Central  F

Sep 11-Dec 06  5:30 p.m.-10:30 p.m.

**TRUCK DRIVING**

**Professional Truck Driver One**

**CVOP 1013**

Prerequisite: Must sign up for Professional Truck Driver 2 at the same time AND contact SJC Commercial Truck Driving Department at (281)476-1886.

Note: Textbook Required

General truck driving with in the cab skills development and instruction coordinated with the Department of Transportation. This course includes the required six hour Defensive Driving course to meet state requirements.

$1647  CEUs 12.6  HRS: 126

95049  Central  MTWTh

Aug 10-Sep 17  7:00am-6 p.m.

50225  Central  SaSu

Sep 12-Dec 06  7:00am-6 p.m.

50227  Central  MTWTh

Sep 21-Oct 29  7:00am-6 p.m.

50229  Central  MTWTh

Nov 02-Dec 17  7:00am-6 p.m.

70011  Central  SaSu

Dec 12-Mar 13  7:00am-6 p.m.

**Professional Truck Driver Two**

**CVOP 1040**

Prerequisite: Must sign up for Professional Truck Driver 1 at the same time AND contact SJC Commercial Truck Driving Department at (281)476-1886.

Note: Textbook required

A continuation of Professional Truck Driver 1. General truck driving with in the cab skills development and instruction coordinated with the Department of Transportation. Instruction in the operation of a tractor-trailer combination in city and highway conditions, including control and maneuvering of the vehicle through various traffic situations in different conditions with numerous tractor-trailer combinations.

$1348  CEUs 12.0  HRS: 120

95050  Central  MTWTh

Aug 10-Sep 17  7:00am-6 p.m.

50226  Central  SaSu

Sep 12-Dec 06  7:00am-6 p.m.

50228  Central  MTWTh

Sep 21-Oct 29  7:00am-6 p.m.

50230  Central  MTWTh

Nov 02-Dec 17  7:00am-6 p.m.

70012  Central  SaSu

Dec 12-Mar 13  7:00am-6 p.m.
### WELDING

**Advanced Gas Tungsten ARC Welding GTAW**

**WLDG 2051**

Prerequisite: WLDG 1530 or approval of department chair. No Textbook Required.

This course covers advanced topics in GTAW welding, including welding in various positions and directions. (WLDG 2551)

**Advanced Pipe Welding**

**WLDG 2053**

Prerequisite: WLDG 2506 or approval of department chair. No Textbook Required.

This course covers advanced topics involving welding of pipe using the shielded metal arc welding process. Topics include electrode selection, equipment setup, and safe shop practices, with an emphasis on weld positions 5G and 6G using various electrodes. (WLDG 2553)

**Art Metals**

**WLDG 1005**

Prerequisite: None. No Textbook Required.

This course covers the fundamentals of conceptualizing and producing utilitarian items in ferrous and non-ferrous metals. Includes skill development through the techniques of sinking, raising, repousse, and piercing to create objects from sheet and stock materials. Also covers welding, brazing, soldering, tinning, polishing, and tool making. (WLDG 1308)

### Intermediate Pipe Welding  
**WLDG 2006**  
Prerequisite: WLDG 1528. No Textbook Required.  
A comprehensive course on welding of pipe using the shielded metal arc welding (SMAW) process. Welding will be done using various positions. Topics covered include electrode selection, equipment setup and safe shop practices. (WLDG 2506)

### Intermediate Welding Using Multiple Processes  
**WLDG 2013**  
Prerequisite: WLDG 1534, WLDG 1530, WLDG 1528. No Textbook Required.  
This course offers instruction using layout tools and blueprint reading with demonstration and guided practices with some of the following welding processes: oxy-fuel gas cutting and welding, shielding metal arc welding (SMAW), gas metal arc welding (GMAW), flux-cored arc welding (FCAW), gas tungsten arc welding (GTAW), or any other approved welding process. (WLDG 2513)

**Maritime**

**MARITIME**

**Able Bodied Seaman**
MART 2073
Prerequisite: 90 days sea time.
USCG & STCW approved, this course provides the student with the knowledge, understanding and proficiency required to work aboard vessels as an unlicensed watch stander.
Professional training includes marlinspike seamanship, inland and international Rules of the Road, proficiency in survival craft operations, deck safety, and basic navigation.

$800 CEUs 4.0 HRS: 40
95261 Central MTWThF
Aug 17-Aug 21 8 a.m.-5 p.m.
50303 Central MTWThF
Sep 21-Sep 25 8 a.m.-5 p.m.
50336 Central MTWThF
Nov 02-Nov 06 8 a.m.-5 p.m.
70021 Central MTWThF
Nov 30-Dec 04 8 a.m.-5 p.m.

**Advanced Fire Fighting**
VFIT 1051
Prerequisite: USCG approved Basic Fire Fighting.
The 4 day course is approved by the USCG as an advanced course. It will satisfy the STCW requirements as outlined in A-V1/3 and includes both theory and practical training and assessments. Many flag states require this course be taken at least once every 5 years by deck and engineering officers as well as those individuals responsible for the prevention and combating of fires aboard.

**Automatic Radar Plotter Aid**
MARS 2076
Prerequisite: Previously passed USCG approved RADAR class. Subjects in this 5-day course include review and recertification of radar plotting, ARPA theory, ARPA errors and limitations. This course covers technical and practical applications of radar and ARPA for those who will be in charge of navigational watch or a member of a bridge team. Information is presented that is necessary for the deck officer or bridge team member to stand safe bridge watch. This includes the theory, operation, limitations and practical applications of radar navigation, collision avoidance and radar and ARPA systems. Students who complete this course will be able to extract the information needed on course, speed and CPA to enable early action to be taken to provide for a safe passing distance.

Radar Observer-Inland
MART 2071
This course covers the methods by which the radar detects contacts and demonstrates the limitations of the radar equipment including the dangers of over-reliance on information derived from radar. The exercises used in this course of instruction will provide practice in the proper use of the radar and to recognize potential threats and determine proper action to avoid these threats in accordance with the applicable Rules of the Road. Students who successfully complete this course will be able to determine information on course, speed and CPA of radar contacts to enable early action to be taken to provide for a safe passing distance.

**EDUCATION**

**Creative Writing**
NFND 0000
Prerequisite: Writing level 7
Note: Textbook required
This elective composition course provides an opportunity for students to create imaginative works for pleasure and publication within the supportive atmosphere of a writing workshop. The workshop may emphasize a single genre, such as poetry, fiction, or drama. Alternatively, the workshop may allow individual students to write original compositions in genres of their interest in response to classroom assignments. Students analyze significant contemporary literature, finding models of successful forms and effective technique. In addition, they critique the work of classmates. Literary theory and strategies for publication are discussed. Students are also encouraged to participate as editors of the College literary magazines and to submit their best work for publication. (ENGL 2307)

LEAP to Workforce English Success
COMG 1007
Prerequisite: ESL Advanced or pre-assessment.
Note: Textbook and workbook required. If age 17, parental or guardian consent is required.
This course prepares students to develop English language skills for workplace success. It provides a general exploration of career paths by bringing real life situations to the classroom. Experiential learning includes the exposure to a variety of workplace situations and paths such as health occupations, construction, banking and finance, oil and gas industry, information technology, and para-education, among others. Students will gain a better understanding of the processes to obtain and retain jobs in different fields including requirements such as GED and other credentials.

Sep 14-Oct 28  9 a.m.-1 p.m.

STEP to Academic English - Listening & Speaking 2
COMG 1005
Note: Textbook and workbook required. If age 17, parental or guardian consent is required.
This course prepares students to expand vocabulary in both academic and social settings. Students learn to use reading skills to comprehend passages and read selected popular fiction with reasonable understanding. Students will learn to reflect on, discuss, and respond to assigned readings. Students will learn to express ideas in writing in such a way that the reader can understand. Students will use selected rhetorical modes of academic and professional English writing and reading. Students will be able to use transitional expressions and vocabulary appropriate to assigned tasks. Prerequisite: STEP Academic English - Reading & Writing 1 or pre-assessment.

Test Preparation

GED Preparation Tutorial
NFND 0000
Note: Textbook and Texas Instruments TI 30 XS Multi-view calculator are required. GED registrations are accepted in person only. Photo ID (with date of birth) or birth certificate must be presented. Proof of Texas residency required. The student must be age 18 or older. If you are 16, you must have a court order from a judge; also, must have been withdrawn from high school for at least six months and not a high school graduate; if age 17, parental or guardian consent is required; also, must have been withdrawn from high school for at least six months and not a high school graduate.
The longer GED Preparation series allows for a greater focus on subject matter than the traditional GED Review. Subject matter is covered at a slower pace and a more in-depth level than the GED Review. The series includes Mathematics, Social Studies/Science, and Language Arts. Take each course separately or as a series.

**Wilton Course 2: Flowers and Cake Design**
NFND 0000
Prerequisite: Wilton Course 1.
Note: Wilton textbook and Wilton Student Kit required (available in SJC bookstore prior to class starting).
Design a professional-looking cake! Learn how to select colors, arrange flowers and work with royal icing. You’ll learn core techniques to make a wide variety of flowers, such as pansies, lilies, and The Wilton Rose. Learn to design the color palette and pattern for a cake, complete piping techniques, create seven different types of flowers, learn to pipe royal icing appliques, and new decorative borders.

Wilton Course 3: Gum Paste and Fondant
NFND 0000
Prerequisite: Wilton Course 1.
Note: Wilton textbook and Wilton Student Kit required (available in SJC bookstore prior to class starting).
Develop your skills working with fondant and gum paste, and apply them to create shapes, borders and flowers. You'll also learn how to cover a cake with fondant. Plus, you'll design and create a complete project using all the techniques you were taught. You will also learn to create different types of bows and flowers, including the calla lily, rose and carnation.

SPORTS & RECREATION

Advanced Martial Arts
NFND 0000
Prerequisite: None.
Note: Textbook required.
A continuation of the Aikido introductory class. No prior experience is necessary, only the desire to learn. The class is a great way to learn a non-competitive self-defense Japanese Martial Art. Warm-up exercises, throws, pins, basic Aikido history, theory, and tradition are taught. Emphasis is on movement, stress control, and self-defense. You will learn how to redirect an attacker's strength and momentum as a way to effectively deal with an aggressor. Male or female, big or small, anyone in reasonably good health or physical condition can participate and benefit from this Aikido class. (PHED 2140)

Life Long Learning Interchange

Senior Citizen Discounts!
Events for the whole family!

Join an Interchange group and explore new learning opportunities at San Jacinto College!

Silver Scholars

Kids & Co.

Friends Network

Beginning Spring 2015 –
The Life Long Learning Interchange will host monthly events and special learning opportunities for members! With three groups under the Interchange umbrella, there are ways for everyone to get involved at San Jacinto College!

• **Silver Scholars** – providing activities for senior citizens
• **Kids & Co.** – learning opportunities for kids and teens and their adult family members
• **Friends Network** – events for adults in the 30-50 age range

Your free Interchange membership gives you entry to each monthly event on campus or in the community, and many other exciting benefits! For more information, please visit the Life Long Learning website at www.sanjac.edu/life-long-learning or call 281-478-3634.

**Seniors 55+ take 10% off all Life Long Learning classes!**

To register: All campuses 281-542-2020
Online Learning Partnership with Education to Go
Online learning anytime, anywhere...just a click away!

How to Get Started:

Please review the list of available online courses at www.Ed2Go.com. After selecting your course(s), please contact your nearest CPD Registration office to register. You must make payment for all CPD classes the same day you register. If you have questions about payment arrangements, please be sure to ask your Registration Specialist at the time of registration.

Once you have completed the registration process with SanJacinto College, you will need to access www.ed2go.com. Locate the course title that you registered for and click Enroll Now. Once you have chosen the desired start date, you will need to click continue. If you have never taken an online class, please click “New Student” and follow the prompts to create a new login. Returning students will log in with their previous login and password.

After the log in process, please choose the “already paid” option as you have already made your required payments to San Jacinto College. You will then be given the option to click on the blue highlighted link to complete the orientation process. Once this has been completed, this will grant you access to the classroom. When your class begins, return to the Online Instruction Center and simply click on the Classroom tab at the top of the page. To begin your studies, simply log in with the username and password you selected during orientation.

General Requirements:

All courses require Internet access, email, Microsoft Internet Explorer, or Firefox Web browsers. Some courses may have additional requirements. Please visit our Online Instruction Center for more information on any of our Ed2Go classes. Call your nearest CPD office to register and pay for your Online Class!

Start Dates:

Requirements for computer/software courses:

Internet access, email, the Microsoft Internet Explorer or MozillaFirefox Web browser, and the Adobe Flash and PDF plug-ins(two free and simple downloads you obtain at www.adobe.com/downloads by clicking Get Adobe Flash Player and Get AdobeReader). You must have your own personal copy of any software required in the course. Software must be installed and operational on your personal computer before the course begins.

To Register: Call 281-542-2020
General Information

How To Contact Us
Continuing & Professional Development (CPD) offices are located on each San Jacinto College campus:

Central Campus: 281-542-2020, Room C-1.128, Interactive Learning Center, 8060 Spencer Hwy., Pasadena, TX 77505
North Campus: 281-542-2020, Room N-12.212, Slovacek Student Center, 5800 Uvalde Road, Houston, TX 77049
South Campus: 281-542-2020, Room S-8.1052, Academic Administration Building, 13735 Beamer Road, Houston, TX 77089

Office hours at all campuses are:
Mon-Thurs: 8 a.m.-6:30 p.m.
Fri: 8 a.m.-4:30 p.m.

Información General
Para adquirir información en español sobre los programas, llame a los siguientes números:
Campo Central: 281-542-2020
Campo Norte: 281-542-2020
Campo Sur: 281-542-2020

y pida que se le envíe ésta información.

Registration Is Easy
You can register at any time for most Continuing and Professional Development (CPD) classes. There are normally no special registration days. Registration is accepted by telephone, fax, email, in person (photo identification required), or web online (for those who have previously enrolled in credit or non-credit classes at San Jacinto College). Inquire early about any classes you are interested in taking since all classes have limited enrollment and some classes fill very quickly. Please register no later than three business days prior to the first class date. Unless otherwise stated in the course description, the minimum age for independent participation in CPD courses is 18 years.

Telephone Registration
Register by phone. Please have the student personal information and all course information when you call.
For hours, see preceding How to Contact Us section.
Central, North, and South Campus: 281-542-2020

Fax or Email Registration
Fax or email your completed registration form at any time. A blank registration form is located in this schedule. Fax and email access are available 24 hours a day. Registration forms can be received any time, but will not be processed until normal office hours.

Central Campus
Fax: 281-476-1833

North Campus
Fax: 281-459-7196

South Campus
Fax: 281-922-3422

Email: registration.cpd@sjcd.edu

In Person Registration
Identification is required / Se require ID al Registrarse en persona
Visit our offices at the following locations. For hours, see preceding How to Contact Us section.

Central Campus: Interactive Learning Center, Room C-1.128, 8060 Spencer Hwy., Pasadena
North Campus: Slovacek Student Center Building, Room N-12.212, 5800 Uvalde Road, Houston
South Campus: Administration Bldg., Room S-8.1052, 13735 Beamer Road, Houston

Payment
To complete registration for a course, payment must be made at the time of class selection, regardless of method of enrollment. Non-payment will result in an automatic withdrawal from the selected class(es). The College accepts Visa, MasterCard, Discover, American Express and web checks (must be an individual checking or savings account). The College assesses a $30 processing fee for each stopped-payment or returned check. Debit cards must have a Visa or MasterCard logo, cash is also accepted. Payment may be made in person at the campus Business Office, or online at www.sanjac.edu by accessing the SOS system through the “My SanJac” link.

To Register: North, Central, or South Campus call: 281-542-2020

To register: All campuses 281-542-2020
Web Registration

Go to Sanjac.edu and select Continuing and Professional Development

Each course schedule will only show available classes in that instructional area. Begin your registration by selecting one of the course schedules. Applied Technology & Trades, Business & Professions Computers/IT Training, Health Occupations, Education Life Long Learning, Maritime, Motorcycle Rider, Online

Once the course schedule is selected please click on the Search & Register link.

How to Search for Courses:
Use the Search feature at the top of the page by entering keyword for the course or a five digit CRN. Select the search icon for a list of available courses.

How to Register and Pay:
Step 1: Select the course(s) you would like to attend by clicking on the + sign within the course box or by dragging the course box into the schedule area.

Step 2: Select Register and you will have a chance to view the selected courses. At this point you will be asked to sign in with your San Jacinto Student ID (G#) if not already signed in.

2a: The first time you sign in with an existing G#, select Forgot Password? to create a password and security questions for this software. If you are still encountering difficulties logging in, please contact Tech Support at 281-998.6137 for further assistance. Please make changes under the My Profile down arrow if any of your personal information, such as address or phone number has changed.

2b: You can create an account to obtain a San Jacinto Student Id (G#) if you do not have one. Be sure to write down the new ID and password and store in a secure place.

Step 3: Select Proceed to payment which displays the registration disclosure. Accept the Registration Disclosure to continue. Click Proceed to payment then select Submit payment to enter credit card or electronic check information, a Proceed to payment box will appear letting you know that you are being taken to a secure external payment site, select continue. Payment will need to be made in full. If you would like to set up a payment plan please contact the registration office at 281-542-2020.

Step 4: Enter credit card or electronic check information.

Step 5: Select Submit payment.

Student Web Payment Process

Prior to access to the SOS Login screen, you must be admitted and/or registered for your class(es).

• Access the San Jacinto college web site at www.sanjac.edu and go to the SOS Login located under the “My SanJac” link.

• First enter your User ID# (Student ID number G00XXXXXX)

• New student: If you have never claimed your account or set up a password for SOS, please click the highlighted text to claim your account. If you need assistance retrieving your login information, please contact Tech Support at 281-998-6137.

• Current student: You will need your student ID (G00XXXXXX” and your password to access SOS.

To Make a Payment on a Student Account:

Step 1. Select My Student Records, Registration and Financial Aid

Step 2. Select My Registration

Step 3. Select Step 6: review your changes and make a payment.

Step 4. Select a Term. Please make sure to choose a Continuing Education term then submit to process. Example: if your class starts between Sep 2015 and Nov 2015, you would choose Continuing Ed 2015 Sep-Nov. If your class starts between December 2015 and Feb 2016, you would choose Continuing Ed 2015-16 Dec-Feb.)

Step 5. Select Student Account Suite (another webpage will open after selecting this option)

- CPD Students must make payment at the time of registration
- You can view the Refund Policy from this screen.
- Classes at least four weeks in length are eligible for a Convenient Payment Plan (CPP). Payment plans can be set up by selecting this payment option and entering your information by following the directions given.

Step 6. Select Make a Payment

Step 7: Select Pay (please verify the class fees before Pay)

Step 8: Select Payment Method then Select Go button

Step 9: Process Payment according to online directions. Please verify that all of your information is correct before you submit your payment.

• Once processed, please print out the confirmation page for your records. If you should have any problems or questions, please contact your Continuing & Professional Development registration office or the campus business office.
Convenient Payment Plan (CPP)
Convenient Payment Plans are available to Continuing & Professional Development (CPD) students under the following guidelines:

1. The length of the Course Section must be a minimum of 30 calendar days.

2. Two plans are available: one for classes four to seven weeks in length; the other for classes 8-16 weeks in length.

There will be a $25 service fee that is prorated over all installments (including the down payment) for the CPP.

3. For a four to seven week class, the student will pay half the total charges as a down payment (which includes half of the $25 service fee). The other half is due 30 days after the set-up date for the CPP. If this date falls on a weekend or College closure, the student is responsible to pay either online by the due date or the previous business day at any campus business office.

4. For an 8-16 week class, the student will pay half the total charges as a down payment (which includes one third of the $25 service fee). The other half is due in two equal installments 30 and 60 days after the set-up date for the CPP. If these dates fall on a weekend or College closure, the student is responsible to pay either online by the due date or the previous business day at any campus business office.

The student will be assessed a $25 late payment fee for failure to pay on or before the prescribed payment due dates.

5. A student will be limited to only one CPP.

6. Failure to make all payments may result in the CPP being forwarded to the collection agency of the College and subject to additional collection fees.

To Register: North, Central, or South Campus call: 281-542-2020

Drops, Cancellations, and Transfers / Refund Policy
Need to drop your class?
• A 100 percent tuition refund is given if a withdrawal request is received before the class begins. No refund is given after the class begins.

• Courses that are linked with academic courses will adhere to the stated CPD refund policy.

• Withdrawal requests must come directly from the student or his/her designee. A Withdrawal/Transfer Request form will be completed by the person making the request (if the request is by telephone, the CPD registration staff will complete the form to include all pertinent information). The official receipt date is the day and time the request is received in the CPD office.

All refunds are paid by check to the student regardless of the method or source of original registration payment. Please allow three to four weeks for the refund check to be processed and mailed to the address given at the time of registration. If there has been an address change, please provide the corrected address with your withdrawal request.

Cancelled Classes
If San Jacinto College cancels a class, a 100 percent tuition refund is automatically processed for students who do not choose to transfer to another available class. CPD personnel will make every attempt to contact you in the event a class cancels using contact information you have furnished. Please make sure we have a valid daytime phone number on file for you. You may also inquire by calling your respective campus or by logging onto the SOS system on the College website: www.sanjac.edu.

Transfer Requests
Students may request one transfer into another available section prior to the first class of the course for which they are registered. Transfers are considered only on an available seat basis.

Transcript Requests
Most CPD courses earn Continuing Education Units (CEUs) which are reported as part of your permanent student record. Un-official transcripts can be obtained and printed by logging into your SOS account.

You may request copies of your transcript in person or by mail by contacting one of the campus enrollment services offices. That office will need a completed Transcript Request Form and a copy of your photo ID. For questions call 281.998.6150.
Screening Requirements for Classes with Clinicals
A criminal background check is required before a student can participate in a clinical assignment. This is a requirement of all clinical facilities in the Houston/Gulf Coast Area, as mandated by JCAHO (Joint Commission on Accreditation of Healthcare Organizations). The approximate cost of the screening is less than $60. Background check through Precheck.com is required at time of registration.

Linked Classes
Proof of Meningitis required for students 21 and under.
Classes labeled “Linked” are held with academic/credit classes but do not earn semester credit or transfer toward academic certificates or degrees. Enrollment into these courses is extremely limited and is on a space-available basis. Should the credit course completely fill, the concurrent/linked CPD course may be cancelled.

CPD students in linked academic classes may be required to take and pass the TASP/THEA. They are held to the same performance standards TASP/THEA prerequisites required for semester credit students. Additionally, the course costs may differ for the credit section.

* Courses that are linked with academic courses will adhere to the stated CPD refund policy.

To Register: North, Central, or South Campus call: 281-542-2020

Emergency Closings
Providing a safe and secure environment for our students, faculty and staff is a top priority at San Jacinto College. In the event the College needs to be closed for any situation, such as inclement weather, students and employees should refer to email, text and messages, and the College website at www.sanjac.edu. In addition, local television and radio stations may also broadcast bulletins announcing campus closings in emergency situations.

Students and employees are encouraged to sign up for the SJC Alert Me system to receive voice and text messages in the event of a College closure. SJC Alert Me will provide San Jacinto College with another communication tool to keep students, faculty, and staff informed during threatening situations and weather-related closings. In order to receive voice and text messages, you must provide your telephone and/or cell phone number. There is no cost to sign up for this notification service.

However, when the system sends a message to your personal phone, you are responsible for any charges from your phone service provider associated with receiving voice or text messages.

For more information, visit www.sanjac.edu/alert-me.

IMPORTANT NOTICES
• Photo identification required for all in person registrations. Se require ID para toda las registros en persona.
• Information contained in the schedule is subject to the policies and procedures of the San Jacinto College District and is subject to change without notice, including course pricing.
• All courses are taught in English, unless specified otherwise.
• Classes may be cancelled because of low enrollment.
• Instructors may be changed as conditions warrant.
• Room assignments and building locations may be changed as conditions warrant.
• Students must attend the class section for which they are registered.
• CPD staff and instructors provide information, not advice.
• San Jacinto College requires that its instructors not solicit business for personal gain in the classroom. Any business transaction resulting from a class is the responsibility of the student, not the College.
• Classes labeled “Linked” are held with academic/credit classes but do not earn semester credit or transfer toward academic certificates or degrees. Enrollment into these courses is extremely limited and is on a space-available basis. Should the credit course completely fill, the concurrent/linked CPD course may be cancelled. Although CPD students in linked academic classes are TASP/THEA exempt, they are held to the same performance standards required for semester credit students. Additionally, the course costs may differ for the credit section.

* Courses that are linked with academic courses will adhere to the stated CPD refund policy.

• ESL assessments will not be started after 5 p.m. Compass/ESL assessments are done in the campus Testing Center

San Jacinto College will be closed this semester:
• September 7 – Labor Day
• November 25-29 – Thanksgiving
• December 23 - January 1 – Winter Break

No classes will meet on these days.

Mission and Vision Statements

Our Mission
Our mission is to ensure student success, create seamless transitions, and enrich the quality of life in the communities we serve.

Our Vision
San Jacinto College will be the leader in educational excellence and in the achievement of equity among diverse populations. We will empower students to achieve their goals, redefine their expectations, and encourage their exploration of new opportunities. Our passions are people, learning, innovation, and continuous improvement.

Our Values
Integrity: Ethical and Professional
“We act in ways which instill confidence and trust.”
Excellence: In Everything We Do
“We achieve quality results in everything we do.”
Accountability: It’s Up to Us
“We take responsibility for our commitments and outcomes.”
Innovation: Lead the Way
“We apply our knowledge, skill, insight, and imagination to recognize opportunities, solve problems, and recommend new solutions.”
Sense of Community: Caring for Those We Serve and Ourselves
“We demonstrate genuine concern for the well-being of our students, our community, and ourselves.”
Student Success: Our Ultimate Measure
“We enable students to achieve their goals.”
Diversity: Celebrate the Differences
“We celebrate the diversity of ideas and cultures.”
Collaboration: We Work Together
“We work together for the benefit of the college.”

Annual Security and Fire Safety Report
The San Jacinto College Community District is committed to assisting all members of the San Jacinto College community in providing for their own safety and security. The annual security compliance document is available on the San Jac Police Department website. A hard copy of the San Jacinto College Annual Security and Fire Safety Report is available for review at each of the three campus police departments.

This information is required by law and is provided by the San Jacinto College Police Department.

Accreditation Statement
The San Jacinto Community College District is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of The San Jacinto Community College District.

Equal Opportunity Statement
The San Jacinto College District is committed to equal employment opportunity for all employees and applicants without regard to race, creed, color, national origin, citizenship status, age, disability, pregnancy, religion, gender, sexual orientation, gender expression or identity, genetic information, marital status, or veteran status in accordance with applicable federal and state laws. No person including students, faculty, staff, part-time, and temporary workers will be excluded from participation in, denied the benefits of, or be subjected to discrimination or harassment under any program or activity sponsored or conducted by the San Jacinto College District on the basis of the categories listed.
