Cosmetology Nail Technician
(4COSM-NAI)

Program Objectives
The nail technician occupational certificate program is designed to provide the student with the basic manicuring skills and knowledge required to pass the Texas Department of Licensing and Regulation Examination for licensing and to gain entry-level employment in a professional salon spa. Emphasis is on the application of all learned skills and theoretical knowledge in a simulated salon. All key aspects of the nail profession are addressed, including acrylic, fiberglass, and gel nail extensions.

Job Opportunities
Graduates will enter the salon spa concept industry and specialize in manicuring, pedicuring, and artificial nail extensions.
