**Is it safe to use?**  
Monroe College on Facebook is the official Facebook community for Monroe College. It was created in part to ensure that your personal Facebook profile stays private while allowing you to interact with people at school.

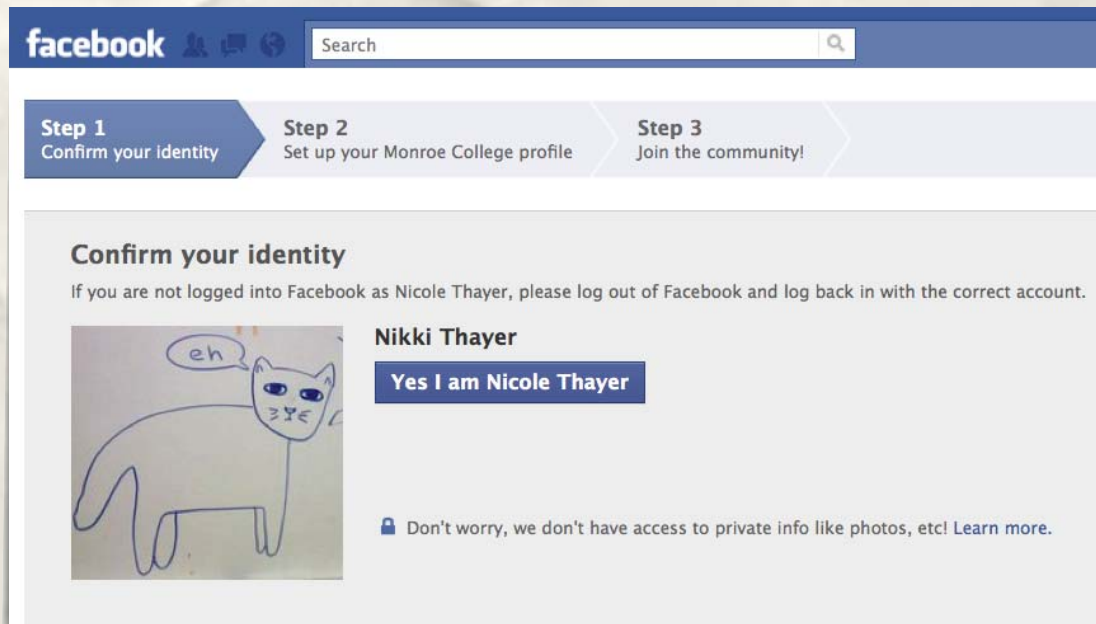

**Does this give people access to my Facebook profile?**  
Monroe College on Facebook only pulls three things from your profile: Your name, your profile photo and your friend list. This is done so that you can see which friends go to Monroe College in the application. Monroe College respects your privacy and does not have special access to your photo albums, status updates, or any other activity of yours in Facebook.

**Who can join Monroe College on Facebook?**  
Monroe College on Facebook is for admits, faculty, and staff of Monroe College.
