

**AchieveWORKS** assessments, when used with one another, can provide students with a comprehensive foundation of self-awareness. In **AchieveWORKS**, there are three assessment tools that can be used with students to help them establish a solid understanding of their unique strengths and interests, connect their career and educational plans, and create strategies to help them find more satisfaction and success in life.

## AchieveWORKS® Personality

This tool will reveal your true personality and provide tips to achieve success, in a way that works for you.

- **Your Personality Profile**
- **Your Strengths & Challenges**
- **Your Communication Style**
- **How you Work with Others**
- **Personalized Career & Pathways Suggestions**

## AchieveWORKS® Intelligences

This tool will reveal the ways you deal with information, solve problems, and create things. Based on accurate answers, your results will help:

- **You use your strengths in school, work and other activities**
- **Teachers and counselors understand you better**
- **You find out which educational and career paths are a good fit**

**See other side for account instructions**
