Training and Educational Solutions for Workers and Employers

The Continuing & Professional Development division of San Jacinto College offers programs and courses for individuals to retain or advance in their jobs or make career transitions. We provide training to companies and their employees to meet employers’ demands for a highly skilled workforce, while helping incumbent workers reach their potential.

No matter what your professional and educational goals, Continuing & Professional Development at San Jacinto College is your training connection for career success. Our courses are designed to provide practical skills and hands-on training in a targeted, time limited, training environment rather than a purely academic background. We stand ready to help you manage the rapid changes and new realities of today’s workplace.

Linked Classes

Classes labeled “Linked” are held in conjunction with academic/credit classes. Enrollment into these sections is limited and is on a space-available basis.

CPD students in linked CE sections do not have to be admitted into the College and are TASP/THEA exempt.

Courses that are linked with academic courses will adhere to the stated Continuing & Professional Development refund policy.

First Responder Training (ECA)
EMSP 1005
Prerequisites: 18 years old, high school or GED.
Note: Textbook required.
This is an entry level course into emergency medical care. It will prepare students for the National Registry and Texas state certification as an Emergency Medical Responder. This course is also referred to as Emergency Care Attendant, First Responder, or ECA. A CPR card for the Healthcare Provider is required and this training is included in the course. The course also provides the skills training necessary to maintain basic life support for sick or injured patients. Individuals who deal with groups of people on a daily basis, such as day care employees, teachers, lifeguards, firefighters, police, etc. would also find this course useful. Upon successful completion of the course, students are eligible to test with the National Registry for certification as an Emergency Medical Responder (EMR). Currently certified participants may use the 56 training hours for on-going continuing education for ECA, EMT or Paramedic certification. Emphasis is on requirements of national and state accrediting agencies.

**Statistical Process Control**

QCTC 1041

Prerequisite: Math level 7. Textbook Required.

This course focuses on components of statistics including techniques of collection, presentation, analysis, and interpretation of numerical data as applied to statistical control. It stresses application of correlation methods, analysis of variance, dispersion, sampling quality control, reliability, mathematical models, and programming. (QCTC 1341)

**Automatic Radar Plotter Aid**
**MARS 2076**
Prerequisite: Previously passed USCG approved RADAR class. Subjects in this 5-day course include review and recertification of radar plotting, ARPA theory, ARPA errors and limitations. This course covers technical and practical applications of radar and ARPA for those who will be in charge of navigational watch or a member of a bridge team. Information is presented that is necessary for the deck officer or bridge team member to stand safe bridge watch. This includes the theory, operation, limitations and practical applications of radar navigation, collision avoidance and radar and ARPA systems. Students who complete this course will be able to extract the information needed on course, speed and CPA to enable early action to be taken to provide for a safe passing distance.

**Basic Fire Fighting**
**FIRS 1191**
Prerequisite: None. This course provides the student with the knowledge and experience to handle a vessel fire emergency. Topics covered include the behavior of fire, prevention and suppression techniques, and the proper use of firefighting equipment, including the use of respirators.

**Bridge Resource Management (Non-Simulator)**
**MART 1078**
Prerequisite: AB, Mate or Master's license. USCG & STCW approved, this course focuses the student on the skills required to operate a vessel safely and efficiently. Teamwork, teambuilding, communication, leadership, decision-making and resource management are incorporated into the larger operational picture of organizational and regulatory management. Also addressed is the management of operational tasks, risk, and stress.

**Electronic Chart Display and Information Systems (ECDIS)**
**MART 1075**
Prerequisite: Previously passed USCG approved RADAR class. USCG & STCW approved, this course provides the student with the knowledge and skills required to fully utilize the features of a computer-based navigation system capable of continuously determining a vessel's position in relation to land, charted objects, aids-to-navigation, and unseen hazards.

EDUCATION

CREATIVE WRITING
NFND 0000
Prerequisite: Writing level 7
Note: Textbook required
This elective composition course provides an opportunity for students to create imaginative works for pleasure and publication within the supportive atmosphere of a writing workshop. The workshop may emphasize a single genre, such as poetry, fiction, or dramedy. Alternatively, the workshop may allow individual students to write original compositions in genres of their interest in response to classroom assignments. Students analyze significant contemporary literature, finding models of successful forms and effective technique. In addition, they critique the work of classmates. Literary theory and strategies for publication are discussed. Students are also encouraged to participate as editors of the College literary magazines and to submit their best work for publication. Online Learning

Partnership with Education to Go
Online learning anytime, anywhere...just a click away!

How to Get Started:

Please review the list of available online courses at www.Ed2Go.com. After selecting your course(s), please contact your nearest CPD Registration office to register. You must make payment for all CPD classes the same day you register. If you have questions about payment arrangements, please be sure to ask your Registration Specialist at the time of registration.

Once you have completed the registration process with SanJacinto College, you will need to access www.ed2go.com. Locate the course title that you registered for and click Enroll Now. Once you have chosen the desired start date, you will need to click continue. If you have never taken an online class, please click “New Student” and follow the prompts to create a new login. Returning students will log in with their previous login and password.

After the log in process, please choose the “already paid” option as you have already made your required payments to San Jacinto College. You will then be given the option to click on the blue highlighted link to complete the orientation process. Once this has been completed, this will grant you access to the classroom.

When your class begins, return to the Online Instruction Center and simply click on the Classroom tab at the top of the page. To begin your studies, simply log in with the username and password you selected during orientation.

General Requirements:

All courses require Internet access, email, Microsoft Internet Explorer, or Firefox Web browsers. Some courses may have additional requirements. Please visit our Online Instruction Center for more information on any of our Ed2Go classes. Call your nearest CPD office to register and pay for your Online Class!

Start Dates:

Requirements for computer/software courses:

Internet access, email, the Microsoft Internet Explorer or MozillaFirefox Web browser, and the Adobe Flash and PDF plug-ins (two free and simple downloads you obtain at www.adobe.com/downloads by clicking Get Adobe Flash Player and Get AdobeReader).

You must have your own personal copy of any software required in the course. Software must be installed and operational on your personal computer before the course begins.

• Once processed, please print out the confirmation page for your records. If you should have any problems or questions, please contact your Continuing & Professional Development registration office or the campus business office.
Convenient Payment Plan (CPP)

Convenient Payment Plans are available to Continuing & Professional Development (CPD) students under the following guidelines:

1. The length of the Course Section must be a minimum of 30 calendar days.

2. Two plans are available: one for classes four to seven weeks in length; the other for classes 8-16 weeks in length.

There will be a $25 service fee that is prorated over all installments (including the down payment) for the CPP.

3. For a four to seven week class, the student will pay half the total charges as a down payment (which includes half of the $25 service fee). The other half is due 30 days after the set-up date for the CPP. If this date falls on a weekend or College closure, the student is responsible to pay either online by the due date or the previous business day at any campus business office.

4. For an 8-16 week class, the student will pay half the total charges as a down payment (which includes one third of the $25 service fee). The other half is due in two equal installments 30 and 60 days after the set-up date for the CPP. If these dates fall on a weekend or College closure, the student is responsible to pay either online by the due date or the previous business day at any campus business office.

The student will be assessed a $25 late payment fee for failure to pay on or before the prescribed payment due dates.

5. A student will be limited to only one CPP.

6. Failure to make all payments may result in the CPP being forwarded to the collection agency of the College and subject to additional collection fees.

Drops, Cancellations, and Transfers / Refund Policy

Need to drop your class?

• A 100 percent tuition refund is given if a withdrawal request is received before the class begins. No refund is given after the class begins.

• Courses that are linked with academic courses will adhere to the stated CPD refund policy.

• Withdrawal requests must come directly from the student or his/her designee. A Withdrawal/Transfer Request form will be completed by the person making the request (if the request is by telephone, the CPD registration staff will complete the form to include all pertinent information). The official receipt date is the day and time the request is received in the CPD office.

All refunds are paid by check to the student regardless of the method or source of original registration payment. Please allow three to four weeks for the refund check to be processed and mailed to the address given at the time of registration. If there has been an address change, please provide the corrected address with your withdrawal request.

Cancelled Classes

If San Jacinto College cancels a class, a 100 percent tuition refund is automatically processed for students who do not choose to transfer to another available class. CPD personnel will make every attempt to contact you in the event a class cancels using contact information you have furnished. Please make sure we have a valid daytime phone number on file for you. You may also inquire by calling your respective campus or by logging onto the SOS system on the College website: www.sanjac.edu.

Transfer Requests

Students may request one transfer into another available section prior to the first class of the course for which they are registered. Transfers are considered only on an available seat basis.

Transcript Requests

Most CPD courses earn Continuing Education Units (CEUs) which are reported as part of your permanent student record. Un-official transcripts can be obtained and printed by logging into your SOS account. You may request copies of your transcript in person or by mail by contacting one of the campus enrollment services offices. That office will need a completed Transcript Request Form and a copy of your photo ID. For questions call 281.998.6150.
Screening Requirements for Classes with Clinicals
A criminal background check is required before a student can participate in a clinical assignment. This is a requirement of all clinical facilities in the Houston/Gulf Coast Area, as mandated by JCAHO (Joint Commission on Accreditation of Healthcare Organizations). The approximate cost of the screening is less than $60. Background check through Precheck.com is required at time of registration.

Linked Classes
Proof of Meningitis required for students 21 and under.
Classes labeled “Linked” are held with academic/credit classes but do not earn semester credit or transfer toward academic certificates or degrees. Enrollment into these courses is extremely limited and is on a space-available basis. Should the credit course completely fill, the concurrent/linked CPD course may be cancelled.

CPD students in linked academic classes may be required to take and pass the TASP/THEA. They are held to the same performance standards TASP/THEA prerequisites required for semester credit students. Additionally, the course costs may differ for the credit section.

* Courses that are linked with academic courses will adhere to the stated CPD refund policy.

Emergency Closings
Providing a safe and secure environment for our students, faculty and staff is a top priority at San Jacinto College. In the event the College needs to be closed for any situation, such as inclement weather, students and employees should refer to email, text and messages, and the College website at www.sanjac.edu. In addition, local television and radio stations may also broadcast bulletins announcing campus closings in emergency situations.

Students and employees are encouraged to sign up for the SJC Alert Me system to receive voice and text messages in the event of a College closure. SJC Alert Me will provide San Jacinto College with another communication tool to keep students, faculty, and staff informed during threatening situations and weather-related closings. In order to receive voice and text messages, you must provide your telephone and/or cell phone number. There is no cost to sign up for this notification service.

However, when the system sends a message to your personal phone, you are responsible for any charges from your phone service provider associated with receiving voice or text messages.

For more information, visit www.sanjac.edu/alert-me.

IMPORTANT NOTICES
• Photo identification required for all in person registrations. Se require ID para toda las registraciones en persona.
• Information contained in the schedule is subject to the policies and procedures of the San Jacinto College District and is subject to change without notice, including course pricing.
• All courses are taught in English, unless specified otherwise.
• Classes may be cancelled because of low enrollment.
• Instructors may be changed as conditions warrant.
• Room assignments and building locations may be changed as conditions warrant.
• Students must attend the class section for which they are registered.
• CPD staff and instructors provide information, not advice.
• San Jacinto College requires that its instructors not solicit business for personal gain in the classroom. Any business transaction resulting from a class is the responsibility of the student, not the College.
• Classes labeled “Linked” are held with academic/credit classes but do not earn semester credit or transfer toward academic certificates or degrees. Enrollment into these courses is extremely limited and is on a space-available basis. Should the credit course completely fill, the concurrent/linked CPD course may be cancelled. Although CPD students in linked academic classes are TASP/THEA exempt, they are held to the same performance standards required for semester credit students. Additionally, the course costs may differ for the credit section.

* Courses that are linked with academic courses will adhere to the stated CPD refund policy.

• ESL assessments will not be started after 5 p.m. Compass/ESL assessments are done in the campus Testing Center

San Jacinto College Community College District Vision and Mission Statements and Legal Notices

Our Vision

San Jacinto College will be the leader in educational excellence and in the achievement of equity among diverse populations. We will empower students to achieve their goals, redefine their expectations, and encourage their exploration of new opportunities. Our passions are people, learning, innovation, and continuous improvement.

Our Mission

Our mission is to ensure student success, create seamless transitions, and enrich the quality of life in the communities we serve.
Campus Security and Fire Safety Report

The San Jacinto College Community District is committed to assisting all members of the SJC community in providing for their own safety and security. In accordance with the Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the annual security compliance document is available on the San Jac Police Department website, www.sanjac.edu/safety. Crime statistics for the past three annual years are also available at: www.ope.ed.gov/security/index.asp.

A hard copy of the San Jacinto College Annual Security and Fire Safety Report is available for review at each of the three campus police departments.

The website and report contain information regarding campus security and personal safety, including topics such as: crime prevention; College police law enforcement authority; crime reporting policies; disciplinary procedures; and other matters of importance related to security on our campuses. They also contain information about crime statistics for the three previous calendar years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by San Jacinto College; and on public property within, or immediately adjacent to and accessible from, the campuses.

Graduation and Completion Rates

In compliance with Public Law 101-542 (as amended by P.L. 102-26), San Jacinto College publishes a report of completion rates for full-time undergraduate students seeking an associate degree, a certificate of technology, or transfer to a four-year institution. This report is updated annually. The report is available separately for each San Jacinto College campus, and is stratified by gender, ethnicity, and varsity sport. The report is available upon request in the campus president’s office. Current and prospective students and student-athletes are encouraged to avail themselves of the information in this report prior to enrolling or entering in any financial obligations with or through the College.

Accreditation Statement

The San Jacinto Community College District is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of The San Jacinto Community College District.

Non-Discrimination Statement

The San Jacinto College District is committed to equal employment opportunity for all students, employees, and applicants without regard to race, creed, color, national origin, citizenship status, age, disability, pregnancy, religion, gender, sexual orientation, gender expression or identity, genetic information, marital status, or veteran status in accordance with applicable federal and state laws. No person including students, faculty, staff, part-time, and temporary workers will be excluded from participation in, denied the benefits of, or be subjected to discrimination or harassment under any program or activity sponsored or conducted by the San Jacinto College District on the basis of the categories listed.

The following College officials have been designated to handle inquiries regarding the College’s non-discrimination policies:
