

Spring 2019 Honors Courses

Why not the best?

The San Jacinto College Honors Program offers outstanding classes taught by top professors in an intimate environment. With classes limited to fifteen, students have close interaction with their professor and their peers. The classes push everyone to be the best that they can be, preparing students for work at major universities. Students have transferred from the Honors Program to UT, A&M, Texas Tech, Baylor, TCU, Sam Houston State, Stephen F. Austin, Lamar, UT-Arlington, UT-Dallas, UT San Antonio, UH, UHCL, A&M Galveston and other schools. Many have received scholarships as they advanced. Become part of the close-knit community of honors scholars and expand your possibilities.
