

NURSING - ADN - TRANSITION to RN (LVN to RN) TRANSITION PROGRAM/PARAMEDIC to RN SPECIALTY TRANSITION PROGRAM

TECHNICAL

Degree/Certificate: Associate of Applied Science (4 terms)

If you are a compassionate, take-charge person with a desire to make patients feel comforted in the face of illness, then a career in nursing may be the right career for you. As the population is quickly expanding and aging, the need for quality health care is greater than ever, and the professionals who can provide that care are in short supply. A nursing degree from San Jacinto College will change your life and help save the lives of others.

The Associate Degree in Nursing (A.D.N.) transition program is a career transition program designed specifically for working LVNs/Paramedics who want to expand their practice to the associate degree nursing level at an accelerated pace.

ADMISSION INFORMATION

Applications for entry into the program are accepted each year in the fall and spring. For dates, please see www.sanjac.edu/nursing.

CAREER OUTLOOK

As a nurse, the job opportunities are endless. Upon successful completion of the curriculum and passing of the NCLEX-RN, graduates are entering a field of infinite professional opportunities and challenges. The registered nurse is seen as a vital member of the health care team and is responsible for being the integral part of coordinating the majority of the care related to the patient. As the first point of contact between the patient and health care providers, the role of professional nurse encompasses all levels of health and well-being.

The registered nurse can secure employment in:

- Hospitals and clinics
- Home health and community health settings
- Education
- Research and computer/technology arenas
