THE TRAINING CONNECTION
Training and Educational Solutions for Workers and Employers

Continuing Education
Professional Development
Workforce Training

January - May 2020

A Publication of the Continuing and Professional Development division of the San Jacinto Community College District
Training and Educational Solutions for Workers and Employers

The Continuing and Professional Development division of San Jacinto College offers programs and courses for individuals to retain or advance in their jobs or make career transitions. We provide training to companies and their employees to meet employers' demands for a highly-skilled workforce, while helping incumbent workers reach their potential.

No matter what your professional and educational goals, Continuing and Professional Development at San Jacinto College is your training connection for career success. Our courses are designed to provide practical skills and hands-on training in a targeted, time-limited training environment rather than a purely academic background. We stand ready to help individuals manage the rapid changes and new realities of today's workplace.

Linked Classes

Classes labeled “Linked” are held in conjunction with academic/credit classes. Enrollment into these sections is limited and is on a space-available basis. CPD students in linked CE sections do not have to be admitted into the College and are TASP/THEA exempt. Courses that are linked with academic courses will adhere to the stated Continuing and Professional Development refund policy.

Accounting/Financial

Acct Specialist Fast Track
ACNT 55035
Prerequisites: High school/GED and proficiency in reading, writing, mathematics, and speaking English.
Note: Textbook is required.
This course is a study of basic accounting cycle from the source documents to the post-closing documents. Using a workbook, learners will have the opportunity to analyze, record, journalize, post, etc. for a fictitious business. Learners will acquire the understanding of banking procedures and control of cash. Students will also be exposed to the payroll process by calculating, paying, recording, and reporting payroll and payroll taxes.

$630 CEU 5.6 Hrs: 56
70428 Central TTh
Feb 11 - Apr 9 6 - 9:30 p.m.
90354 North MW
Apr 13 - May 20 6:30 - 9:30 p.m.

CPP Mastery Exam Prep
ACNT 55030
Note: Materials will be provided.
Designed to prepare participants for the CPP mastery exam, participants may be expected to acquire study materials from the U.S. Department of Labor, Internal Revenue Service, and other resources.

$725 CEU 3.2 Hrs: 32
70429 Central S
Feb 1 - Apr 4 9 a.m. - 1 p.m.
90356 Central S
May 2 - Jul 11 9 a.m. - 1 p.m.

Payroll Specialist Fast Track
ACNT 55036
Prerequisite: Successful completion of Accounting Specialist program. Proficiency in reading, writing, and speaking English.
This program was designed by the American Payroll Association (APA) to meet the specific educational needs of payroll professionals and those involved with payroll-related businesses. The PayTrain Fundamental Payroll course teaches the fundamental payroll calculations and applications providing students with the basic knowledge and skills required to maintain payroll compliance and prevent costly penalties. Information will be provided for those interested in taking the optional FPC exam.

$950 CEU 3.2 Hrs: 32
70433 Central S
Feb 1 - Apr 4 9 a.m. - 1 p.m.
90359 Central S
May 2 - Jul 11 9 a.m. - 1 p.m.

Banking

Bank Teller Fundamentals
BNKG 55000
Get on the fast track to a great career! Apply the functions related to negotiable instruments, cash control, handling money, and balancing. Understand compliance and regulation as each affects bank tellers.

$420 CEU 3.6 Hrs: 36
90355 Central TTh
Mar 31 - May 14 6:30 - 9:30 p.m.

Human Resource Management

HR Fast Track Cert Program
HRPO 55022
Note: Textbook is required.
This course covers the evaluation of the current methods of job analysis, recruitment, selection, training/development, performance management, promotion and separation. Topics also include ethical, social, and legal responsibilities, the assessment methods of compensation and benefits planning and analysis of the role of strategic human resource planning in support of organizational mission and objectives.

$575 CEU 8.0 Hrs: 80
70432 Central MW
Jan 13 - Apr 1 6 - 10 p.m.
90358 South TTh
Mar 24 - May 28 6 - 10 p.m.
Project Management

P.M. - Cert Program Fast Track
BMGT 55102
Learn critical path methods for planning and controlling projects. This includes time/cost tradeoffs, resource utilization, considerations, task determination, time management, scheduling management, status reports, budget management, customer service, professional attitude and project supervision.

NCCER CORE CURRICULUM: INTRODUCTORY CRAFT SKILLS
OSHT 55010
Prerequisites: None
Note: PPE to be purchased at the student's expense.
Students will understand the obligations of workers to maintain a safe workplace, properly use power and hand tools along with worksite skills such as lock-out/tag-out and personal protective equipment.

|$575 | CEU 6.4 | Hrs: 64 |
|70418 | North | M |
|Jan 13 - May 11 | 5 - 9 p.m. |

Intermediate CNC HAAS Lathe
MCHN 55028
Prerequisite: Introduction to CNC or industry experience
This intermediate course includes learning to write HAAS CNC programs from engineering drawings using G & M codes, practice machine shop safety continuously, apply machine shop math to solve problems, use precision machine shop measuring instruments, set up a Dual-Spindle HAAS CNC Turning center, and manufacture parts using student written programs from engineering drawings.

|$660 | CEU 4.8 | Hrs: 48 |
|90346 | North | TTh |
|Feb 25 - Apr 9 | 6 - 10 p.m. |

Introduction to CNC
MCHN 55012
Prerequisites: None.
Note: PPE to be purchased at student's expense.
Demonstrate operations of CNC machine controls. Compare and contrast the differences between conventional and CNC machines. Utilize CNC machine applications for machining operations.

|$795 | CEU 6.4 | Hrs: 64 |
|90347 | Central | MW |
|Mar 16 - May 6 | 6 - 10 p.m. |

Introduction to PLCs - Siemens
ELPT 55043
Prerequisite: None
Note: Materials provided
This course provides theory of Siemens programmable controllers, including hardware, timers, counters data manipulation, and troubleshooting. The course covers how to quickly diagnose problems using PLC software, connect to a processor that is online, make minor changes in the program to get the machine running, and test new ideas and new components.

|$755 | CEU 4.0 | Hrs: 40 |
|70412 | North | MW |
|Jan 27 - Feb 26 | 6 - 10 p.m. |

Machine Shop Calculations
MCHN 55033
Note: Workbook is included.
This course consists of fundamental machine shop safety, math, and measurement. You will learn how to properly use hand tools and safely use various shop equipment. You will apply mathematical principles while learning the use of measuring instruments and print reading.

|$380 | CEU 2.4 | Hrs: 24 |
|70416 | North | TTh |
|Jan 7 - 30 | 9 a.m. - 12 p.m. |
|70417 | Central | MW |
|Feb 3 - 26 | 6 - 9 p.m. |

NCCER Sheetmetal 2A
MCHN 55004
An introduction to various types of pipe and fittings. Emphasis on principals and type fittings for radial line development and factors that influence bend allowance.

|$675 | CEU 7.2 | Hrs: 72 |
|70419 | North | T |
|Jan 14 - May 5 | 5 - 9:30 p.m. |

NCCER Sheetmetal 3A
MCHN 55001
An introduction to the principles of air flow as applied to HVAC air distribution systems along with an introduction to the components of HVAC and the basic refrigeration cycle. Introduction to brazing and field measurements. Extensive application of triangulation layout and fabrication of fiberglass ducts.

|$675 | CEU 7.2 | Hrs: 72 |
|70420 | North | W |
|Jan 15 - May 6 | 5 - 9:30 p.m. |

NCCER Sheetmetal 4A
MCHN 55002
A comprehensive review of development and fabrication techniques. Introduction to the concepts of shop production and organization, elements of air balance, and specialty applications related to louvers, dampers, access doors, ventilators, fume, and exhaust systems.

|$675 | CEU 7.2 | Hrs: 72 |
|70421 | North | Th |
|Jan 16 - May 14 | 5 - 9:30 p.m. |
Begin Here/Foundations

**Digital Foundations**
POFI 55037

**Note:** Textbook and flash drive required.
This foundational course will provide students with skills that can be used at home and at work. From keyboarding, and logging in to the computer to researching the internet, each skill covered enables student success. The latest version of Windows will be covered, including program controls, menus, and the task bar. We will also integrate coverage of Outlook Online, Word Online, and OneDrive. The most critical skill for all computer work is learning how and where to save files. This skill will be woven throughout the course.

$625 CEU 5.2 Hrs: 52
90340 Central TTh
Mar 17 - Apr 28 8:30 a.m. - 12:30 p.m.

**Keyboarding on the PC**
POFT 55004

**Prerequisite:** None

**Note:** No textbook required.
The primary input device to a computer is the keyboard. Therefore, proficiency and accuracy in keyboarding is your first foundational course to all other computer classes. This course provides an introduction to fundamental keyboarding techniques such as finger position and movement, increasing speed, and reducing errors. Without this course, or a typing speed of at least 20 wpm, you will not be prepared for any other computer class.

$230 CEU 1.6 Hrs: 16
70415 Central TTh
Jan 7 - 16 8:30 a.m. - 12:30 p.m.
70413 North TTh
Jan 14 - 23 8:30 a.m. - 12:30 p.m.
70414 South S
Feb 1 - 22 8:30 a.m. - 12:30 p.m.
90348 South TTh
Mar 31 - Apr 9 6 - 10 p.m.

**Digital Literacy**
POFI 55025

**Prerequisite:** English Proficiency, Keyboarding 20 WPM.
Learn to use a computer in a business environment. Begin with an introduction to the computer hardware. Learn how to use the Windows 10 operating system. Gain a basic understanding of the most popular business applications - MS Word, Excel, and PowerPoint. Additionally, learn to use the internet and email. All of these skills prepare you to take the optional IC3 certification exam.

$1,080 CEU 8.0 Hrs: 80
90353 South MW
Mar 18 - May 27 6 - 10 p.m.

**Windows for the Desktop**
ITSC 55008

**Prerequisite:** Computer Concepts or equivalent knowledge.
**Note:** Textbook required. Flash drive recommended.
Open the Window of computer opportunities. Learn to create strong passwords and how to switch users. You will be introduced to Live Tiles and learn to start and control apps. Next you will join others in the cloud as you create a Microsoft Online account and log into OneDrive and other online apps. You will create web notes in Edge and say hey to Cortana. Most importantly, you will learn to manage your files and folders and to defend yourself from web threats.

$230 CEU 1.6 Hrs: 16
70425 South MW
Feb 10 - 19 8:30 a.m. - 12:30 p.m.

**Business Applications**

**Basic Business Applications**
ITSC 55045

**Prerequisite:** Windows for the Desktop or equivalent knowledge
**Note:** Textbook is required; flash drive is recommended.
Learn the commonalities of the Microsoft Office Programs and practice using the basic features of Windows, Microsoft Word, Excel, and PowerPoint programs.

$355 CEU 3.2 Hrs: 32
70404 South TTh
Jan 14 - Feb 6 6 - 10 p.m.
70403 North MW
Jan 27 - Feb 19 8:30 a.m. - 12:30 p.m.
70405 Central S
Feb 1 - Mar 28 8:30 a.m. - 12:30 p.m.

**Excel - Basic Skills**
ITSW 55010

**Prerequisite:** Windows for the Desktop or equivalent knowledge
**Note:** Textbook is required; flash drive is recommended.
This course teaches the basic concepts and skills students need to start being productive with Microsoft Excel - how to create, save, share, and print worksheets that contain various kinds of calculations and formatting. Students will benefit most from this course if they want to accomplish basic workplace tasks in Excel such as creating worksheets, formatting the data and the spreadsheet, manipulating data, creating charts, and printing worksheets.

$230 CEU 1.6 Hrs: 16
70411 Central TTh
Jan 7 - 16 6 - 10 p.m.
90344 North MW
Mar 16 - 25 8:30 a.m. - 12:30 p.m.
Excel - Intermediate Skills
ITSW 55006
Prerequisite: Excel Basic Skills or equivalent knowledge
Note: Textbook is required; flash drive is recommended.
This course teaches more advanced tools for analysis and presentation of complex, realistic data in Microsoft Excel. These skills include how to manage complex workbooks, build more complex functions, use data analysis tools, make an impact with powerful chart and presentation features, and collaborate with other users. Students will benefit most from this course if they want to use Excel to perform real-world tasks such as rearranging and presenting complex data, using names in formulas, sorting and filtering tables, consolidating data, and creating, formatting, and manipulating PivotTables.

$230 CEU 1.6 Hrs: 16
70407 Central  TTh
Jan 21 - 30 6 - 10 p.m.

Excel - One Day
ITSW 55002
Prerequisite: Basic computing skills
Note: Textbook is required; flash drive is recommended.
In this fast-paced course, you will create and edit basic Microsoft Excel worksheets and workbooks. You will learn to create basic formulas and perform basic calculations. You will learn to format worksheets and cell content and then create charts using worksheet data. In addition, you will explore line charts and pie charts and learn how to display trend lines of your data on your charts.

$135 CEU 0.7 Hrs: 7
70408 North  F
Jan 31 8:30 a.m. - 4:30 p.m.
70409 South  F
Feb 7 8:30 a.m. - 4:30 p.m.
90341 Central  F
Mar 6 8:30 a.m. - 4:30 p.m.

Excel: One Day-Intermediate
ITSW 55026
Prerequisite: Excel One Day or equivalent knowledge
Note: Textbook is required; flash drive is recommended.
In the first course in this series, Excel - One Day, students gained all the basic skills needed to create, edit, format, and print basic spreadsheets. This continuation provides the next step: to apply conditional formatting and manage multiple-sheet workbooks. In this fast-paced course, students will use Excel to enhance spreadsheets with templates, charts, graphics, and advanced formulas.

$135 CEU 0.7 Hrs: 7
70410 North  F
Feb 28 8:30 a.m. - 4:30 p.m.
90342 South  F
Mar 20 8:30 a.m. - 4:30 p.m.
90343 Central  F
Apr 17 8:30 a.m. - 4:30 p.m.

Integrated Software Apps
ITSC 55013
Note: Textbook required, flash drive is recommended.
A study of the integration of applications from popular business productivity software suites. Instruction in embedding data, linking and combining documents using word processing, spreadsheets, databases, and/or presentation media software is presented. Fundamentals of personal computer operations and the Windows operating system will be covered. (ITSC 1309)

$234 CEU 6.4 Hrs: 64
70145 North  W
Jan 15 - May 6 10:10 - 11:40 a.m.
70146 North  W
Jan 15 - May 6 6 - 7:30 p.m.

Introduction to Database
ITSW 55069
Prerequisite: ITSC 1309 or department chair approval.
Note: Textbook required.
This course is an introduction to database theory and the practical applications of a database. Students will plan, define and design a database; design and generate tables, forms and reports; and devise and process queries. (ITSC 1307)

$234 CEU 6.4 Hrs: 64
70157 North  TTh
Jan 14 - May 7 8:20 - 10:10 a.m.

PowerPoint-One Day
ITSW 55003
Prerequisite: Basic computing skills.
Note: Textbook is required; flash drive is recommended.
In this basic fast-paced course, you will explore the PowerPoint environment and create a new presentation. You will format text on slides and add graphics, tables, and charts to a presentation. Other topics include adding bullet lists, transitions, slide show delivery, and printing.

$135 CEU 0.7 Hrs: 7
70423 Central  F
Jan 17 8:30 a.m. - 4:30 p.m.
70422 South  F
Feb 21 8:30 a.m. - 4:30 p.m.
90349 North  F
Mar 27 8:30 a.m. - 4:30 p.m.

To register: All campuses 281-542-2020
**QuickBooks Complete w/Excel**  
AGNT 55038  
This course is designed for the student with basic Excel skills and/or basic accounting skills. It offers a full course in Excel Intermediate skills and covers basic accounting concepts. You will learn to manage Excel workbooks, data, tables, special charts, and PivotTables. The step-by-step approach to learning QuickBooks is used as the lesson begins as a service company and then moves to a service and merchandise company. There are lots of repetitive exercises in performing QuickBooks tasks, allowing you to learn and master new skills such as working with customers and vendors, banking, creating a company file, managing inventory, working with balance sheets, performing payroll, job costing, reporting and closing the books.

**Word: One Day-Intermediate**  
POFI 55009  
Prerequisite: Windows for the Desktop or equivalent knowledge; Word: One Day or equivalent knowledge.  
Note: Textbook is required; flash drive is recommended.  
This fast-paced course will provide the concepts and skills to use some more advanced features of Microsoft Word, including enhanced formatting, references, editing, and sharing, and saving to various formats. You will add character to your documents as you learn to apply custom themes, shapes, paragraph styles, references, and hyperlinks. Finally, you will learn to protect your document.

Networking

**FUND OF NETWORKING TECH**

ITNW 55010

Prerequisite: ITSC 1305 or Department Chair Approval.

Note: Textbook and flash drive required.

Learn networking essential concepts and implementation; network protocols, transmission media, hardware and software, how to connect servers and clients in a network. (ITNW 1325)

$234  CEU 9.6  Hrs: 96

70141  North  MW

Jan 13 - May 6  8:20 - 10:10 a.m.

Programming

**C++ INTRODUCTION**

ITSE 55006

Learn to program using C++. You will journey through the software lifecycle of develop, test, implement, and document as you learn the basics of object-oriented design. This programming course includes syntax, data and file structures, input/output devices, and files.

$475  CEU 4.0  Hrs: 40

90345  Central  MW

Mar 16 - Apr 15  6 - 10 p.m.

Security

**OPERATING SYSTEM SECURITY**

ITSY 55006

Prerequisite: ITSY 1342.

Note: Textbook and flash drive required.

This course provides instruction in safeguarding computer operating systems by demonstrating server support skills and designing and implementing a security system. The student is taught to identify security threats, monitor network security implementations, and use best practices to configure operating systems to industry security standards. (ITSY 2300)

$234  CEU 6.4  Hrs: 64

70159  North  M

Jan 13 - May 4  6 - 7:40 p.m.

Intro to PC Operating Systems

ITSC 55049

Prerequisite: Basic computer skills

Note: Textbook and flash drive required.

This course covers a study of personal computer operating systems. Topics include installation and configuration, file management, memory, storage management, control of peripheral devices, and use of utilities. Operating systems covered include DOS, Windows, and UNIX. (ITSC 1305)

$234  CEU 6.4  Hrs: 64

70143  North  T

**Certified Nurse Aide**

**Certified Medication Aide**

NURA 55000

Prerequisites: As per HHS requirements to be a medication aide, “individuals must be able to read, write, speak, and understand English.” Be at least 18 years old. Be free of communicable diseases and in suitable physical and emotional health to safely administer medications. Be a high school graduate or have a GED. Must be employed as a CNA listed in TXNAR in active status and currently employed in a licensed facility or employed as non-licensed direct care staff in a licensed facility. Background check, clear Employee Misconduct Registry, and signed copy of the Texas Department of Health & Human Services application requirements for the exam to be presented when registering for the class.

Learn how to prepare and administer drugs in a licensed health care agency. Topics include drug legislation, drug references, basic anatomy and physiology, and common diseases. You will learn medical abbreviations, symbols, terminology, and common equivalents (apothecary, metric, and household measurements) required for medication administration. After completion of the class, you will be prepared to take the Texas Department of Human Services Medication Aide Licensure Exam. Includes 10 hours of clinical practice (two 5-hour days). **This course of study prepares candidates to be certified. Candidates become certified by passing the required certifying agency exam.** For students in this course who may have a criminal background, please be advised that the background could keep you from being licensed by the state of Texas. Prospective students can review their background in comparison with convictions barring employment by visiting https://statutes.capitol.texas.gov/Docs/HS/htm/HS.250.htm. You also have the right to request a criminal history evaluation letter from the applicable licensing agency.

$1,010 CEU 14.4 Hrs: 144
70442 South 6 - 10 p.m.
Jan 27 - Apr 6

**Certified Nurse Aide Training**

NURA 55006

Prerequisites: Immunizations or titers as per the Texas Health and Human Services website at http://bit.ly/ TXImmunizations; background check through www.dps. txas.gov; and American Red Cross or American Heart Association Health Care Provider CPR certification.

Note: Textbook and clinical scrubs are required. Registration after the first class meeting is not allowed. A student with a disability can contact San Jacinto College’s Accessibility Services to request reasonable accommodations. No GED/HS diploma required. Students 16-17 are eligible for certification by the Texas Health & Human Services, Nurse Aide Training program. Parental waiver is required if under 18.

Enter the field of nursing by becoming a Certified Nurse Aide. This class will teach you the skills, knowledge, and abilities to care for patients of long-term care facilities. You will learn how to provide safety and preventive measures in the care of patients as well as how to function as a member of the health care team.
### Emergency Health

**CPR for Healthcare Providers**

EMSP 55008

Prerequisites: The current textbook is required to attend.  
Note: The San Jacinto College bookstore is not open on weekends and closes at 4:30 p.m. on Friday. Students MUST arrive at class on time. Late students or students without books will be sent home. Students sent home for these reasons will NOT be transferred to another class or receive a refund. The cost of the textbook is NOT included in the course cost.

This one-day CPR course is for health care providers and professional rescuers. It will meet the requirements for initial certification and recertification for industrial rescue workers, nurses, nursing students, EMTs, and other allied health professionals involved with patient care. The class will include the use of Automated External Defibrillators (AEDs) and provide the lifesaving skills for respiratory and cardiac emergencies involving adults, children, and infants. Successful completers will receive an American Heart Association (AHA) certification. The certification card for this course is titled Basic Life Support. The card is electronic and will be provided within 72 work-week hours.

Health Care Professional

EKG Technician

ECRD 55000
Prerequisites: None
Note: Textbook is required.
Learn the fundamentals of anatomy and physiology of the cardiovascular system and the role of the electrocardiograph in patient assessment. As an EKG technician, you will perform diagnostic tests to assess the heart rhythm and rate in patients. The EKG technician is an integral part of the management of patients with heart disease and is employed by hospitals, medical/surgical clinics, and insurance companies. This class will prepare you to take the American Medical Certification Association Exam for EKG Technician. Certification fee is not included in the cost of the course. For students in this course who may have a criminal background, please be advised that the background could keep you from being licensed by the State of Texas. If you have a question about your background and licensure, please speak with your faculty member or the department chair. You also have the right to request a criminal history evaluation letter from the applicable licensing agency.

Medical Imaging

CT Equipment/Methodology

CTMT 55003
Prerequisites: Clinical I - Computed Tomography, and must have current national registration in X-ray (ARRT), Nuclear Medicine (NMTCB or ARRT) or Radiation Therapy (ARRT), or Department approval at 281-476-1501 x1418.
Note: Textbook is required.
The concepts and physical principles employed in computed tomography are discussed. The course material emphasizes interactions between X-rays and matter with concepts of radiation detectors and digital imaging. Current knowledge and theory of the biological effects of X-rays are explored, with an emphasis on how they relate to data acquisition, image production, and control and manipulation of image production. This course also provides skill development in the operation of computed tomographic equipment, focusing on routine protocols, image quality, quality-assurance, and radiation protection. Category A CE credit is approved by the ASRT. (CTMT 2332).

$234 CEU 4.8 Hrs: 48

Mammography - Essentials

MAMT 55000
Prerequisites: Department approval is required. Contact 281-476-1501 ext. 1714 for approval and additional information.
Note: As an additional student expense, physical, background and drug checks are some of the requirements. Students must be ARRT registered or eligible to test. Textbook is required.
This course will be a presentation of specialized instruction in breast imaging. Emphasis will be placed on breast anatomy, physiology, positioning, patient education, and assessment. Anatomy instruction will include surface anatomy as well as deep anatomy. Further emphasis will be placed on routine and additional projections and positioning modifications. At the end of the course the student should be able to explain breast anatomy and physiology, conduct patient education and assessment, and perform routine and additional projections used in mammography, including positioning modifications. (MAMT 2333).

**MRIT 55000**

Prerequisites: Must have current national registration in X-ray (ARRT), Nuclear Medicine (NMTCB or ARRT), or Radiation Therapy (ARRT). Call 281-476-1501 x1354 for approval to register.

Note: Textbook is required.

Focuses on the underlying scientific theory and practice leading to magnetic resonance imaging. Includes the concepts and scientific principles employed in magnetic resonance imaging techniques. Emphasis on principles of magnetism and interactions of living matter within magnetic fields. Category A CE credit is approved by the ASRT. (MRIT 2330).

**Medical Office**

**MEDICAL OFFICE PROFESSIONAL**

**MDCA 55001**

Prerequisite: None

Note: Textbook is required.

This class will prepare you to work in a medical office setting and will provide a foundation for more advanced medical records careers. The content includes basic office procedures, medical records administration, medical terminology, and pathophysiology. This course is the prerequisite course for AAPC Medical Coding Curriculum for CPC Certification.

**Phlebotomy Technician**

**Phlebotomy Technician Basic**

PLAB 55000  
Prerequisites: Proof of high school diploma/GED completion is required. All prerequisites for practicum must be completed before registering for Phlebotomy Technician class.  
Note: Must also enroll in the Phlebotomy Practicum; textbook is required.  
Students are involved in skill development to perform a variety of blood collection methods using proper techniques and universal precautions. This course includes vacuum collection devices, syringes, capillary skin puncture, butterfly needles, and blood culture, and specimen collection on adults, children, and infants. Emphasis on infection prevention, proper patient identification, labeling of specimens and quality assurance, specimen handling, processing, and accessioning. Topics include professionalism, ethics, and medical terminology. For students in this course who may have a criminal background, please be advised that the background could keep you from being licensed by the State of Texas. If you have a question about your background and licensure, please speak with your faculty member or the department chair. **Phlebotomy Technician Practicum**

PLAB 55001  
Prerequisites: Proof of high school diploma/GED completion. Proof of a current negative TB skin test and Hepatitis B vaccine. Background check and drug screening through PreCheck are required and are an additional student expense. See San Jacinto College website for instructions. Additional immunizations are required to attend clinicals.  
Note: Must also be enrolled in Phlebotomy Technician Basic.  
Course begins after successful completion of Phlebotomy Technician Basic. Clinicals are usually eight-hour weekdays. Dates, times, and location determined by instructor.  
This is a work-based learning experience with direct client care. This course enables the student to apply the theory, skills, and concepts learned in the basic phlebotomy class in a supervised clinic or lab setting. Specific learning objectives are developed by the faculty. For students in this course who may have a criminal background, please be advised that the background could keep you from being licensed by the State of Texas. If you have a question about your background and licensure, please speak with your faculty member or the department chair. 70067  
Jan 13 - Mar 4  
5:30 - 9:20 p.m.

**Vehicle Trim and Hardware**

ABDR 55012

Prerequisite: Reading Level 4.

Note: Textbook required.

This is an in-depth study of vehicle trim and glass service. (ABDR 1315)

$234  
90001  
Mar 16 - May 6  
5:30 - 9:05 p.m.

**Construction**

**Adv Pipe Stan/Specs/Install**

PFPB 55020

Prerequisite: PFPB 1308 and PFPB 1343

The course covers skill development in motorized equipment, above-ground pipe installation valves, field routing and vessel trim, spring can supports, testing piping systems and equipment, basic plumbing, planning work activities, and non-destructive testing (NDT). (PFPB 2332)

$312  
90009  
Mar 16 - Apr 9  
8 a.m. - 12:20 p.m.

**Basic Pipefitting Skills**

PFPB 55018

Prerequisite: None

This course covers mathematical operations necessary to calculate laying lengths of pipe fittings for fabrication. It includes identification and use of hand tools and power tools and identification of pipe, pipefittings, flanges and fasteners used in the trade. (PFPB 1308)

$312  
70087  
Jan 13 - Feb 7  
8 a.m. - 12:35 p.m.
### Applied Trades

**Pipefitting Fab/Blueprint Read**

**PFPB 55021**

**Prerequisite:** PFPB 1308.

This course is a continuation of pipe fabrication, rigging, pipe hangers and supports, blueprint reading, standards and specifications, and trade math. (PFPB 1343)

### Electrical/Electronics

### Commercial Wiring

**ELPT 55008**

**Note:** Textbook required.

This course provides instructions in commercial wiring methods. It includes overcurrent protection, raceway panel board installation, proper grounding techniques, and associated safety procedures. The National Electrical Code (NEC) is used to size branch circuits, feeders, service equipment, outlet and junction boxes, and conduit and installation of lighting and utilization of equipment. Students gain experience in safe workplace practices, the proper use of hand tools and ladders, interpreting blueprints and specifications, bending and installation of conduit, installation of armored cable, and wiring of devices, load centers, and service equipment. (ELPT 1345)

**Electrical Calculations I**

ELPT 55009  
**Note:** Textbook required.  
Introduction to mathematical applications utilized to solve problems in the electrical field. Topics include fractions, decimals, percentages, simple equations, ratio and proportion, metric conversion, and applied geometry. Electrical calculations to solve DC and AC electrical circuits are included. (ELPT 1215)  
$156  
CEU 3.2  
Hrs: 32

Jan 14 - Mar 4  
12 - 1:40 p.m.

**Electrical Calculations II**

ELPT 55017  
**Prerequisite:** ELPT 1215 or approval by department chair  
**Note:** Textbook required.  
This is the further study of mathematical applications used to solve problems in the electrical field. The course includes fractions, decimals, ratio and proportion, applied geometry, and utilization of right triangles to calculate electrical values. It also includes power factor correction, fault currents, neutral currents, conductor ampacity, and other advanced calculations. (ELPT 2215)  
$156  
CEU 3.2  
Hrs: 32  
90005  
North  
TW  
Mar 17 - May 6  
12 - 1:40 p.m.

**Electrical Machines**

ELPT 55020  
**Prerequisite:** ELPT 1311.  
**Note:** Textbook required.  
This is a study of direct current (DC) motors, single-phase and polyphase alternating current (AC) motors, generators and alternators. Emphasis will be on construction, characteristics, efficiencies, starting and speed control. (ELPT 1351)  
$234  
CEU 6.4  
Hrs: 64  
70079

HVAC/Refrigeration

A/C Troubleshooting
HART 55006
Prerequisite: HART 1441 and HART 1445 or department chair approval.
Note: Textbook required.
An advanced course in application of troubleshooting principles and use of test instruments to diagnose A/C and refrigeration components and system problems, including conducting performance tests. (HART 2436)

$234 CEU 9.6 Hrs: 96
90007 North MTWTh
Mar 16 - May 7 8:30 - 11:15 a.m.

Basic Electricity for HVAC
HART 55002
Prerequisite: None.
Note: Textbook required.
This course focuses on principles of electricity as required by HVAC, including proper use of test equipment, electrical circuits, and component theory and operation. (HART 1401)

$312 CEU 9.6 Hrs: 96
70085 North MTWTh
Jan 13 - Mar 5 6 - 8:50 p.m.

Comm A/C System Design
HART 55011
Prerequisite: HART 2345 and HART 2441 or department chair approval.
Note: Textbook required.
This is an advanced study in essential elements of commercial air conditioning contracting, including duct systems design and/or material takeoff, weight estimating, equipment selection, using manufacturer's catalog data, job cost estimating, scheduling preparation of shop drawings, and submittals. (HART 2302)

$234 CEU 4.8 Hrs: 48
70086 North MTWTh
Jan 13 - Mar 5 9:30 - 11 a.m.

Commercial Refrigeration
HART 55004
Prerequisite: HART 1401 and HART 1407 or department chair approval. Textbook Required.
Theory and practical application in the maintenance of commercial refrigeration; medium, and low temperature applications and ice machines. (HART 2442)

$312 CEU 9.6 Hrs: 96
90008 North MTWTh
Mar 16 - May 7 6 - 8:45 p.m.

Refrigeration Principles
HART 55000
Prerequisite: None.
Note: Textbook required.
This course is an introduction to the refrigeration cycle, heat transfer theory, temperature/pressure relationship, refrigerant handling, refrigeration components, and safety. (HART 1407)

$312 CEU 9.6 Hrs: 96
90006 North MTWTh
Mar 16 - May 7 6 - 8:45 p.m.

Welding

Adv Gas Tungsten Arc (GTAW)
WLDG 55002
Prerequisite: WLDG 1430 or approval of department chair.
Note: Textbook required.
This course covers advanced topics in GTAW welding, including welding in various positions and directions. (WLDG 2451)

$312 CEU 12 Hrs: 128
70100 Central MW
Jan 13 - May 6 6 - 10 p.m.

**Advanced Pipe Welding**

**WLDG 55005**  
**Prerequisite:** WLDG 2406 or approval of department chair  
*Note: Textbook required.*

This course covers advanced topics involving welding of pipe using the shielded metal arc welding process. Topics include electrode selection, equipment setup, and safe shop practices, with an emphasis on weld positions 5G and 6G using various electrodes. (WLDG 2453)

**Art Metals**

**WLDG 55038**  
*Note: Textbook required.*

This course covers the fundamentals of conceptualizing and producing utilitarian items in ferrous and non-ferrous metals. It includes skill development through the techniques of sinking, raising, repousse, and piercing to create objects from sheet and stock materials. It also covers welding, brazing, soldering, tinning, polishing, and tool making. (WLDG 1308)

**Adv Cargo Handling & Stowage**

MARS 55000

Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment. USCG & STCW approved, this course will cover the principles of materials handling and their application to the movement of marine cargoes, safe cargo operations, certification of cargo gear, stresses on cargo gear, mathematical calculations of safe and efficient cargo stowage, de-humidification units, and prevention of moisture damage due to cargo and ship sweat. In addition, this course will examine ship stability and trim and the practical application of these principles in the loading of vessels carrying break bulk, bulk, and container cargoes. A container loading project will be completed involving computing stowage, trim, KG, GM, and LCG. The objective of this course is to provide students with the detailed knowledge to support the training outcomes related to Cargo Handling and Stowage at the Management Level and satisfy company, national, and international regulations for candidates for certification as master or Chief Mate.

**Adv Fire Fighting Refresher**

VFFT 55001

Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment. This course is to meet the requirements of Advanced Fire Fighting Refresher training requirements of 46 CFR 11.201(h) (1) and 11.303(e) while providing our personnel and the required firefighting training at an easily accessible and convenient location. This syllabus covers the requirements of the Standards of Training Certification and Watchkeeping as amended Chapter VI, Section A-VI/3 and Table A-VI/3. On meeting the minimum standard of competence in Advanced Fire Fighting, a trainee will be competent to control fire-fighting operations aboard ships, organize and train fire parties, inspect and service fire-detection and fire extinguishing systems and equipment, and investigate and compile reports on incidents involving fire.

**ADVANCED FIRE FIGHTING**

VF5000

Prerequisite: USCG-approved Basic Fire Fighting

Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

This course of instruction is designed to provide a training experience that combines formal classroom instruction with practical exercises, hands-on shipboard firefighting procedures and tactics, practical training, and assessment. Each student who successfully completes this course will have gained practical knowledge of how to conduct and execute shipboard firefighting procedures and tactics. The course is open to mariners who should have previously completed the training required for Fire Prevention and Fire Fighting (Basic Fire Fighting) to the standards set forth in Section A-VI, Table A VI/1 2 of the STCW Code and 46 CFR 11.202(b)(2) for Basic Safety Training prior to the attendance of the Advanced Fire Fighting training. There are no educational requirements. The mariner must be in good health. The student should have the agility, strength and flexibility to maintain balance on a moving deck, rapidly don firefighting personal protection equipment, handle physical labor, climb vertical ladders, handle moderate weights (from 30 to 60 pounds), and haul/move 50- to 100-foot lengths of charged fire hoses. Pursuant to National Maritime Center Policy Letter 11-02.

**Advanced Meteorology**

SCIT 55000

Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

This course encompasses the following: the earth-atmosphere system, weather elements, atmospheric thermodynamics, wind systems, cyclones and anti-cyclones, air masses, fronts, middle-latitude cyclones, violent local storms, tropical storms, the synoptic weather map, weather service for merchant shipping, weather forecasting, ocean waves, sea ice and ice accretion, weather map construction and analysis, optimum ship routing utilizing the prevailing and projected weather conditions to advantage, weather routing to avoid adverse conditions, and practice of practical shipboard reporting procedures. Forecasting and hurricane avoidance techniques. Students will be able to understand and interpret synoptic charts and forecast area weather. This syllabus covers the requirements of the 1995 STCW Convention Chapter II, Section A-II/2. This functional element provides the detailed knowledge to support the training outcomes related to the Navigation at the Management Level. Any applicant who has successfully completed this 40-hour Advanced Meteorology course will satisfy the Advanced Meteorology training requirements for STCW certification as Master or Chief Mate on vessels of 500 or more gross tonnage (ITC). The practical assessments in this course will be accepted as the equivalent of the following assessments from the National Assessment Guidelines for Table A-II/2 of the STCW Code: M-6-1A; M-6-2A. Applicants who have successfully completed your course need not present completed control sheets for these assessments in application for STCW certification.

**Advanced Shiphandling**

MARS 55019

Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

The objective of this course is to provide students with the detailed knowledge to support the training outcomes related to the training requirements of 46 CFR 11.305(a)(3)(i) and 11.307(a)(3)(i) for STCW endorsements as Chief Mate or Master on vessels of 3,000 GT or more and 46 CFR 11.311(a)(3)(i) and 11.313(a)(3)(i) for STCW Code, as amended 2010, endorsements as Master or Chief Mate on vessels of more than 500 GT and less than 3,000 GT and the specific tasks from the National Assessment Guidelines found in NVIC 10-14 and 11-14 (Tasks 4.1.B, and 8.1.A through 9.17.A). Applicants are not required to present the completed record of assessment sheets when applying for the STCW endorsement.

**Advanced Stability**

MARS 55006

Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

USCG & STCW approved. Trainees will become proficient in stability and trim theory and its practicable applications. The course objectives are also aimed at providing the ship's senior officers with the knowledge and competence sufficient to make full use of the stability booklet required for a vessel by 46 CFR 170.110. This course requires the trainee to have a fundamental understanding of basic stability and trim theory, as well as basic math and trigonometry.

**APPRENTICE MATE**  
MART 55019  
**Prerequisite:** 540 days seetime.  
**Note:** It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.  
Each student who successfully completes this course will gain the knowledge and understanding of all subject areas covered in this training course, including the unique aspects of towing vessel management, operations, maneuvering, towing gear, and making and breaking various towing configurations. Safety and emergency response, firefighting, seamanship, U.S. maritime regulations, and meteorology are also presented and examined as part of this training course. This course is open to the candidate who has met or will meet the requirements of 46 CFR 11.466 requirements for national endorsements as apprentice mate (steersman) of towing vessels. Pursuant to National Maritime Center Policy Letter 11-02.

**AUTOMATIC RADAR PLOTTER AID**  
MARS 55015  
**Prerequisite:** Previously passed USCG-approved RADAR class.  
**Note:** It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.  
Trainees who successfully complete this course will be able to make efficient and effective use of ARPA as a navigational aid in congested, confined waters; recognize potential threats; and make valid navigational and collision-avoidance decisions based on sound ARPA observations in compliance with the Navigation Rules and the International Regulations for Preventing Collisions at Sea (COLREGs 1972). As a prerequisite to attendance, the trainees must either hold a current endorsement to their U.S. Coast Guard License as Radar Observer (Unlimited) or present proof of successful completion of a U.S. Coast Guard-approved course for endorsement as Radar Observer (Unlimited) within the one year prior to the ARPA course. Pursuant to National Maritime Center Policy Letter 11-02.

Basic Fire Fighting (BST PT 1)
FIRS 55001
Prerequisite: None.
Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment. Students must be clean shaven for this class to ensure proper fitting of SCBA mask. Clothing: Long pants, closed-toe shoes with socks, and short-sleeve t-shirt (no tank tops).
The course is open primarily to entry-level mariners and preferably should be given before they take up employment in sea-going vessels. There are no educational requirements. The mariner must be in good health. The student should have the agility, strength, and flexibility to maintain balance on a moving deck, rapidly don firefighting personal protection equipment, handle physical labor, climb vertical ladders, handle moderate weights (from 30 to 60 pounds), and haul/move 50- to 100-foot lengths of charged fire hoses. Pursuant to National Maritime Center Policy Letter 11-02.

Basic Safety Refresher
MART 55020
Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment. Students must be clean shaven for this class to ensure proper fitting of SCBA mask. Clothing: Long pants, closed-toe shoes with socks, and short-sleeve t-shirt (no tank tops).

Students must be able to swim or float unassisted for 60 seconds.

This course is for applicants who cannot meet the requirement for one year of sea service within the last five years, as described in 46 CFR 11.302(c) or 46 CFR 12.602(c). They will be required to meet the requirements of 46 CFR 11.302(a) or 46 CFR 12.602(e) by completing an approved refresher training. The student should have the agility, strength, and flexibility to maintain balance on a moving deck, rapidly don firefighting personal protection equipment, handle physical labor, climb vertical ladders, handle moderate weights (from 30 to 60 pounds), and haul/move 50- to 100-foot lengths of charged fire hoses. Pursuant to National Maritime Center Policy Letter 11-02.

### Cargo Handling (Op Level)

**LMGT 55010**

Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

USCG & STCW approved, this course will satisfy the candidate with reliable knowledge of technical principles of sea transport of cargo and skills in the assessment of cargo securing arrangements. Also covered are the duties undertaken by the deck watch while loading and discharging cargo in port and the care of cargo in transit. Subjects include inspection and preparation of holds, cargo segregation, securing cargo, cargo handling equipment and safety, confined space entry, and an overview of ship types (tankers, bulk carrier, container, etc).

**To register: All campuses 281-542-2020**
**Celestial Navigation**  
MARS 55008  
Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.  
USCG & STCW approved, this course covers the most common forms of position fixing by celestial bodies. Subjects include the study of celestial bodies, their locations, and apparent motion relative to an observer on Earth; the ephemera elements of the celestial sphere; and use of time, including predictions of celestial phenomena, nautical astronomy, sextant and altitude correction, sight reduction, lines of position, meridian transits, time of sunrise and sunset, star identification, and selection sailings, and ocean route planning. The course will encompass celestial theory derived from qualitative and quantitative analysis of the combined coordinate systems for reductions of celestial observations to lines of position. Celestial observations will be used to determine compass error. Studies will also involve practical application through the use of the sextant, azimuth ring, alidade, and other standard shipboard equipment and publications. Course is designed to enable the applicant to calculate and plot celestial observations to determine the vessels position, determine gyro and compass error by celestial observations, and determine the vessels position using terrestrial navigation practices. The objective of the course is to provide students with the detailed knowledge to support the training outcomes related to celestial navigation at the operational level and satisfy company, national, and international regulations.

**DDE 1000/4000 HP**  
MARS 55010  
Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.  
This four-week USCG-approved course provides limited HP-designated duty engineer candidates practical knowledge and training in all phases of off-shore supply and towing vessel engine room operations in preparation for licensing. Topics covered include engine room safety, tools and supplies, piping system hardware, miscellaneous piping systems, pollution abatement equipment, vessel habitability, fluid power systems, electricity generating, and diesel propulsion plants. Emphasis is placed on theory of operation and arrangements, monitoring procedures and conducting of machinery space rounds, inspections and record keeping, and engine room operating procedures.

**Electronic Chart ECDIS**  
**MART 55005**  
Prerequisite: Previously passed USCG-approved RADAR class.  
Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.  
This course is designed for mariners employed on vessels equipped with modern ECDIS navigation systems. The course is also of value to individuals who require a knowledge of electronic navigation and charting procedures. Trainees undertaking this course should have some formal instruction in terrestrial navigation and preferably have at minimum some familiarization with visual navigation, have accomplished a period of supervised bridge watch-keeping duties, and have prior completion of basic radar/ARPA. Trainees should also have familiarization with personal computing operating systems, keyboards and mice, and/or trackballs. Pursuant to National Maritime Center Policy Letter 11-02.

GLOBAL MARITIME DISTRESS AND SAFETY SYSTEMS (GMDSS)
MAR 55004
Prerequisite: AB, Mate, or Master's License.
Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.
This course framework requires a little knowledge of maritime radio communication practice but a working knowledge of English as a second language. Elementary computer skills are assumed in the recommended course timetable. Candidates are assumed to have basic computer skills to participate in the course. However, additional computer skills training will be required by candidates without any basic proficiency in the use of computers.
All students must have at least one year experience as a member of a navigational watch on the bridge of oceangoing vessels or service as a licensed Radio Officer or Engineer. Cadets or candidates for U.S. Coast Guard licenses must be members of a formal training program such as at a state or federal maritime academy or have acquired equivalent experience and basic communications training as a prerequisite for this course. The course shall be taught in English. If a student speaks the course language as a second language, he or she shall demonstrate total fluency, both written and oral, of GMDSS technical terms in the language used in teaching the course. Candidates desiring the license must submit their completed application package to the appropriate U.S. Coast Guard Regional Examination Center for evaluation as prescribed by applicable regulations and policies. Candidates need not be approved by the U.S. Coast Guard prior to participating in this course. However, a photo ID is required. Pursuant to National Maritime Center Policy Letter 11-02 appropriate photo identification is required for enrollment into a USCG-approved course.

**Personal Survival Techniques (BST Part 3)**

MART 55014

**Note:** It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

The course is open primarily to entry-level mariners and preferably should be given before they take up employment in sea going vessels. There are no educational requirements. The mariner must be in good health. The student should have the agility, strength, and flexibility to maintain balance on a moving deck, rapidly don an exposure suit, handle physical labor, climb vertical ladders, and handle moderate weights (from 30 to 60 pounds). Pursuant to National Maritime Center Policy Letter 11-02, appropriate photo identification is required for enrollment into a USCG-approved course.

**Proficiency in Surv Craft Refresher**

MARS 55029

**Prerequisite:** Previously passed Basic Safety Training.

**Note:** It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

The completion of Proficiency in Survival Craft Refresher course will satisfy the competency requirements of Table A-VI/2-1 of the STCW Code, as amended 2010, for Proficiency in Survival Craft and Rescue Boats Other Than Fast Rescue Boats (PSC), for those seafarers not having evidence of 1 year of sea service within the last 5 years, provided that the applicant had previously been issued a Proficiency in Survival Craft and Rescue Boats other than Fast Rescue Boats endorsement, and will satisfy the professional examination and practical demonstration requirements of 46 CFR 12.407(b)(3) for endorsements for Lifeboatman and PSC. Applicants are not required to present completed record of assessment sheets when applying for the STCW endorsement.

**Proficiency in Survival Craft**

MART 55009

**Note:** It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

USCG and STCW approved, this course provides the knowledge, understanding, and proficiency required to take charge of a survival craft during and after launching. Topics include all the knowledge and duties associated with management of the preparation, embarkation, launching, and taking command of a lifeboat under oars or power or an inflatable life raft.

RFPEW
MARI 55002
Any applicant who successfully completed your Rating Forming Part of an Engineering Watch Motor Assessments Only (SANJCC-746) course, including specific practical assessments from the Guidelines for Qualification for STCW Endorsements as Rating Forming Part of an Engineering Watch, NVIC 07-14, will satisfy the assessment requirement of 46 CFR 12.609(a)(3) and Table A-III/4 of the Seafarers’ Training, Certification, and Watchkeeping (STCW) Code, as amended, 2010, Specification of Minimum Standard of Competence for Ratings Forming Part of an Engineering Watch. Applicants using this approval to apply for endorsement as RFPEW-Motor Only must document at least 60 days of seagoing service that involve experience associated with engine room functions and the performance of duties carried out under the direct supervision of an engineer officer or a qualified STCW rating. Those specific TASKs performed in the course are considered equivalent to those of NVIC 07-14, and are: 1.1.A; 1.1.B(M); 1.1.C; 1.1.D; 1.1.E; 1.1.F; 1.1.G; 1.1.H(M); 1.1.H(M/G); 1.1I(M); 1.1 J; 1.1 K; 1.2.A; 1.2.B; 1.2.C; 1.2.D; 1.2.E; 1.2.F; 1.3.A; 1.3.B; 1.3.C; 2.1.A; 2.1.B; 2.1.C; 2.2.A; 2.2.B; 2.3.A; 3.1.B; 4.1.A; 4.2.A; 4.2.B. Applicants who have successfully completed your course need not present completed “Control Sheets” for these assessments in application for STCW certification. Removal of the Motor Only limitation shall be satisfied by submission of the following completed TASKs from NVIC 07-14: 1.1.B(S); 1.1.B(G); 1.1.H(S); 1.1.H(I); 3.1.A; 3.1.C; 3.1.E; 3.1.F; 3.1.G; 3.1.H; And 3.1.

Radar Observer-Unlimited
MART 55008
Prerequisite: Previously passed USCG-approved Master's License class.
Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.
Each student who successfully completes this course will gain the knowledge and understanding of the aspects covered, including the theory necessary for an understanding of how radar information is obtained and displayed. In addition, an understanding of the limitations and accuracy of radar information and the formation and recognition of unwanted responses. The correct use of radar operational controls and adjustments to obtain an optimal display and checks on radar set performance are emphasized. This course is intended for candidates for certification as operators or officers in charge of a navigational watch. Prior to enrolling in this course, the trainee should have completed at least one year at sea and preferably have gained some experience in bridge watch-keeping. The course would also be of value to others using radar—for example, those working harbor craft, patrol launches, and training vessels, in which case the entry standards may be adjusted to suit the particular circumstances. However, the trainee background for each course should be similar. Pursuant to National Maritime Center Policy Letter 11-02, appropriate photo identification is required for enrollment into a USCG-approved course.

VPDSD
MART 55018

Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

A mariner who successfully completes our Vessel Personnel with Designated Security Duties (VPDSD) SANJCC-747 course will satisfy the training requirements of 46 CFR 12.625(a)(1) and STCW, as amended Paragraphs 6-8 of Section A-VI/6 and Table A-VI/6-2 2, for an STCW endorsement as Vessel Personnel with Designated Security Duties and satisfy the training requirements of 33 CFR 104.220. It is assumed that those attending this course will be serving seafarers (or other vessel personnel) and are likely to be assigned specific security duties in connection with the Vessel Security Plan. Training providers must verify trainee identity and citizenship. Pursuant to National Maritime Center Policy Letter 11-02, appropriate photo identification is required for enrollment into a USCG-approved course.

Vessel & Company Sec Officer
MART 55000

Prerequisite: 90 days seatime. No prerequisite requirement for CSO.

Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

It is assumed that those attending this course are U.S. Coast Guard-credentialed mariners who are employed (or are to be employed) by a vessel owner or operator and who are likely to be designated as Vessel Security Officer (VSO). Trainees must be 18 years of age or older and able to speak and understand the English language as would be relevant to the duties of a VSO. Training providers are responsible for verifying that these conditions are met before accepting candidates for training. However, no specific entry requirements are contemplated. All trainees must be certified by a doctor to be in good health. Although the course is designed with the professional mariner in mind, it remains open for anyone simply wishing to expand his or her maritime knowledge. Candidates desiring the endorsement must submit their completed application package to the appropriate U.S. Coast Guard Regional Examination Center for evaluation as prescribed by applicable regulations and policies. Candidates need not be approved by the U.S. Coast Guard prior to participating in this course. However, a photo ID is required. Pursuant to National Maritime Center Policy Letter 11-02, appropriate photo identification is required for enrollment into a USCG-approved course.

Watchkeeping (Operational Level)

MARS 55028

Note: It shall be the policy of this school that all students provide appropriate photo identification upon enrollment.

This course will satisfy the Watchkeeping and SMCP training requirements of 46 CFR 11.309(a)(4)(ix) for an STCW endorsement as Officer in Charge of a Navigational Watch on vessels of 500 or more gross tonnage (ITC) and 46 CFR 11.319(a)(4)(iii) for an STCW endorsement as Officer in Charge of a Navigational Watch on vessels of less than 500 gross tonnage (ITC). The following practical assessments performed during this course have been determined to be equivalent of National Assessment Guidelines Tasks, as documented in NVIC 12-14 (Ch-1) Guidelines on Qualifications for Officer in Charge of a Navigational Watch on Vessels of 500 GT or More: 2.1.A - 2.6.A and 7.1.A.

**English Communication Skills**

**ESL-Advanced A**

COMG 55072

**Prerequisite:** Pre-assessment required.
**Note:** Textbook and workbook are required. If age 17, parental or guardian consent is required.

This course is designed for the students to focus on comprehending challenging materials for the workplace or for academic success. This level will prepare the student with the skills to determine meaning from written text, identify word forms and variation in meaning, synonyms and antonyms, context clues, connotation and denotation, and fact and opinion. It is designed for advancing students into higher level English language skills. This is the seventh class in our sequence of Everyday English language instruction.

**ESL-Advanced B**

COMG 55073

**Prerequisite:** Pre-assessment required.
**Note:** Textbook and workbook are required. If age 17, parental or guardian consent is required.

This course is designed for the students to focus on comprehending challenging materials, texts, or practical discussions for fluency in the English language. This is the eighth class in our sequence of Everyday English language instruction. After the completion of this class, the students will transition into either the LEAP or STEP courses. LEAP and STEP courses are ESL-specialized programs focused on workforce or academic ESL in preparation for college credit classes.

ESL-Beginning A
COMG 55074
Prerequisite: Pre-assessment preferred but not required.
Note: Textbook and workbook required. If age 17, parental or guardian consent is required.
Designed for students whose primary language is other than English, this course presents industry-related basic reading, writing, speaking, and listening skills. The emphasis is on high-frequency vocabulary (basic sight words) and phonics, refining oral and written production, assisting with listening skills for enhanced job productivity, and increasing the control of the English sound system to minimize on-the-job miscommunication or misinterpretation due to foreign accent. This is the first class in our sequence of Everyday English language instruction.

ESL-High Intermediate A
COMG 55076
Prerequisite: Pre-assessment required.
Note: Textbook and workbook are required. If age 17, parental or guardian consent is required.
This level focuses on the improvement in reading and vocabulary/comprehension skills, as well as speaking, writing, and listening skills for job or academic success. The emphasis is on recognition and comprehension of idioms, analogies, antonyms and synonyms, and context clues. The interpretation of factual material and opinions associated with job-related and daily life communications is the focus of this course. This is the fifth class in our sequence of Everyday English language instruction.

ESL-Intermediate A
COMG 55078
Prerequisite: Pre-assessment required.
Note: Textbook and workbook are required. If age 17, parental or guardian consent is required.
This intermediate course will provide a communicative English practice. Students will learn to match vocabulary words with their respective definitions when terms and definitions are presented in writing. Students will learn to select the correct meaning of a word based on the context of the word and give examples of the pronunciation, meaning, and part of speech of vocabulary words that relate to work or everyday life activities. This level will provide the student with skills to summarize the main idea in writing. This is the third class in our sequence of Everyday English language instruction.

GED Preparation Tutorial
NFND 59002
Note: Textbook and Texas Instruments TI 30 XS Multi-View calculator are required. GED registrations are accepted in person only. Photo ID (with date of birth) or birth certificate must be presented. The student must be age 18 or older. If you are 16, you must have a court order from a judge; also, you must have been withdrawn from high school for at least six months and not be a high school graduate. If you are age 17, parental or guardian consent is required; also, you must have been withdrawn from high school for at least six months and not be a high school graduate.
The longer GED preparation series allows for a greater focus on subject matter than the traditional GED review. Subject matter is covered at a slower pace and a more in-depth level than the GED review. The series includes mathematics, social studies/science, and language arts. Take each course separately or as a series.

GED Preparation: Language Arts
NFND 59005
Note: Textbook is required. GED registrations are accepted in person only. Photo ID (with date of birth) or birth certificate must be presented. The student must be age 18 or older. If you are 16, you must have a court order from a judge; also, you must have been withdrawn from high school for at least six months and not be a high school graduate. If you are age 17, parental or guardian consent is required; also, you must have been withdrawn from high school for at least six months and not be a high school graduate.
For GED applicants who have yet to complete the language arts portion of the test, this course is ideal for GED candidates who need more intense preparation and practice in reading and writing. The Language Arts preparation includes test-taking practice.

Martial Arts
NFND 59036
Prerequisite: None.
Note: Textbook required.
This class is affiliated with the Aikido World Alliance. Certified rank promotion and testing are available through this class. Classes are coed, and anyone in reasonably good health can participate. No uniforms are required for the class. Instructor is certified through the Aikido World Alliance. This martial arts course is open to beginners as well as experienced martial arts students. No prior experience is necessary, only the desire to learn. The class is a great way to learn a non-competitive self-defense Japanese martial art. Warm-up exercises, throws, pins, basic Aikido history, theory, and tradition are taught. Emphasis is on movement, stress control, and self-defense. You will learn how to redirect an attacker's strength and momentum as a way to effectively deal with an aggressor. Male or female, big or small, anyone in reasonably good health or physical condition can participate and benefit from this Aikido class. (PHED 1140)

Child Development
Associate Training

Do you have a passion for shaping the future?
Do you desire to inspire the youth around you? San Jacinto College’s child development program is designed for students like you! Our program offers the knowledge and technical skills you need to enter the child development profession through linked classes such as:

Educational Aide Associate
CDA I
CDA II
CDA III

For more information visit:
**Online Learning**

**Partnership with Education to Go**

Online learning anytime, anywhere…just a click away!

**How to Get Started:** Please review the list of available online courses at [www.Ed2Go.com/sanjac](http://www.Ed2Go.com/sanjac). After selecting your course(s), please contact your nearest CPD Registration office to request your class to be created. You must make payment for all Continuing and Professional Development (CPD) classes the same day you register. If you have questions about payment arrangements, please be sure to ask your registration specialist at the time of registration.

Once you have completed the registration process with San Jacinto College, you will need to access [www.ed2go.com](http://www.ed2go.com). Locate the course title that you registered for and click “Enroll Now.” Once you have chosen the desired start date, click “Continue.” If you have never taken an online class, please click “New Student” and follow the prompts to create a new login. Returning students will log in with their previous usernames and passwords.

After the login process, choose the “Already Paid” option as you have already made your required payments to San Jacinto College. You will then have the option to click on the blue highlighted link to complete the orientation process, granting you access to the classroom.

When your class begins, return to the Online Instruction Center and simply click on the “Classroom” tab at the top of the page. To begin your studies, simply log in with the username and password you selected during orientation.

**General Requirements:** All courses require Internet access, email, and Microsoft Internet Explorer or Firefox web browsers. Some courses may have additional requirements. Please visit our Online Instruction Center for more information on any of our Ed2Go classes. Call your nearest CPD office to register and pay for your online class!

**Requirements for computer/software courses:** Internet access, email, the Microsoft Internet Explorer or Mozilla Firefox web browser, and the Adobe Flash and PDF plug-ins (two free and simple downloads you obtain at [www.adobe.com/downloads](http://www.adobe.com/downloads) by clicking Get Adobe Flash Player and Get Adobe Reader). You must have your own personal copy of any software required in the course. Software must be installed and operational on your personal computer before the course begins.

*To Register: Call 281-542-2020*
**How to Contact Us**
Continuing and Professional Development (CPD) offices are located on each San Jacinto College campus:

**Central Campus:** 281-542-2020, Room C-1.128, Interactive Learning Center (Building 1), 8060 Spencer Hwy., Pasadena, TX 77505

**North Campus:** 281-542-2020, Room N-12.212, Slovacek Student Center (Building 12), 5800 Uvalde Road, Houston, TX 77049

**South Campus:** 281-542-2020, Room S-8.1052, Academic Administration Building (Building 8), 13735 Beamer Road, Houston, TX 77089

Office hours at all campuses are:
Mon-Thurs: 8 a.m.-6:30 p.m.
Fri: 8 a.m.-4:30 p.m.

**Información General**
Para adquirir información en español sobre los programas, llame a los siguientes números:

Campo Central: 281-542-2020
Campo Norte: 281-542-2020
Campo Sur: 281-542-2020
y pida que se le envíe ésta información.

**Registration Is Easy**
You can register at any time for most Continuing and Professional Development (CPD) classes. There are normally no special registration days. Registration is accepted in person (photo identification required) or web/online (for those who have previously enrolled in credit or non-credit classes at San Jacinto College). If a course has a prerequisite you may be required to show proof of completion and will need to register in person. Inquire early about any classes you are interested in taking since all classes have limited enrollment and some classes fill very quickly. Please register no later than three business days prior to the first class date. Unless otherwise stated in the course description, the minimum age for independent participation in CPD courses is 18 years.

**Telephone Registration**
To register by phone, please have the student’s personal information and all course information when you call. For hours, see preceding *How to Contact Us* section.

Central, North, and South Campus: 281-542-2020

**Fax or Email Registration**
Fax or email your completed registration form at any time. A blank registration form is located in this schedule. Fax and email access are available 24 hours a day. Registration forms can be received any time but will not be processed until normal office hours.

Central Campus: Fax: 281-476-1833
North Campus: Fax: 281-459-7196
South Campus: Fax: 281-922-3422
*Email:* registration.cpd@sjcd.edu

**In Person Registration**
Identification is required / Se require ID al registrarse en persona.

Visit our offices at the following locations

**Central Campus:** Interactive Learning Center (Building 1), Room C-1.128, 8060 Spencer Hwy., Pasadena

**North Campus:** Slovacek Student Center Building (Building 12), Room N-12.212, 5800 Uvalde Road, Houston

**South Campus:** Administration Building (Building 8), Room S-8.1052, 13735 Beamer Road, Houston

For hours, see preceding *How to Contact Us* section.

**Payment**
To complete registration for a course, payment must be made at the time of class selection, regardless of method of enrollment. Non-payment will result in an automatic withdrawal from the selected class(es). The College accepts Visa, MasterCard, Discover, American Express, and web checks (must be an individual checking or savings account). The College assesses a $30 processing fee for each stopped-payment or returned check. Debit cards must have a Visa or MasterCard logo; cash is also accepted. Payment may be made in person at the campus business office or online at www.sanjac.edu by accessing the SOS system under “Student Services”.

To register at Central, North, or South Campus call 281-542-2020.
Web Registration

Go to **noncredit.sanjac.edu**.

Each course schedule will only show available classes in that instructional area. Begin your registration by selecting one of the course schedules: Applied Technology & Trades, Business, Supply Chain, Leadership & Entrepreneurship Computers/IT Training, Health and Safety, Education, Life Long Learning, Maritime.

How to Search for Courses: Use the search feature at the top of the page by entering keyword for the course or a five digit CRN. Select the search icon for a list of available courses under courses.

How to Register and Pay:

**Step 1:** Select the course(s) you would like to attend by clicking on the + sign within the course box or the add to cart button.

**Step 2:** Select add to cart, and you will have a chance to view the selected courses. Select the checkout button.

2a: The first time you sign in with an existing G#, select “Forgot Password?” to create a password and security questions for this software. If you are still encountering difficulties logging in, please contact tech support at 281-998-6137 for further assistance. Please make changes under the “My Profile” down arrow if any of your personal information, such as address or phone number, has changed.

2b: You can create an account to obtain a San Jacinto Student ID (G#) if you do not have one by using “I am a new user.”

Be sure to write down the new ID and password and store in a secure place.

**Step 3:** Select “Proceed to Payment” which displays the registration disclosure. Accept the registration disclosure to continue. Click “Proceed to Payment,” then select “Submit Payment” to enter credit card or electronic check information. Select “Proceed to Payment” box will appear letting you know that you are being taken to a secure external payment site. Select continue. Payment will need to be made in full. If you would like to set up a payment plan, please contact the registration office at 281-542-2020.

**Step 4:** Enter credit card or electronic check information.

**Step 5:** Select “Submit Payment.”

---

Student Web Payment Process

Prior to access to the SOS Login screen, you must be admitted and/or registered for your class(es). This is only for in-person registrations only.

- Access the San Jacinto College website at **www.sanjac.edu** and go to the SOS Login located under the “Student Services.”

- First enter your User ID# (Student ID number G00XXXXXX)

- New student: If you have never claimed your account or set up a password for SOS, please click the highlighted text to claim your account. If you need assistance retrieving your login information, please contact tech support at 281-998-6137.

- Current student: You will need your student ID (G00XXXXXX) and your password to access SOS.

To Make a Payment on a Student Account:

**Step 1:** Select “My Student Records, Registration, and Financial Aid.”

**Step 2:** Select “My Registration.”

**Step 3:** Select “Step 6: review your changes and make a payment.”

**Step 4:** Select a term. Please make sure to choose a Continuing Education term, then submit to process. Example: If your class starts between Sept 2016 and Nov 2016, you would choose Continuing Ed 2016-Sept-Nov. If your class starts between Dec 2016 and Feb 2017, you would choose Continuing Ed 2016-17-Dec-Feb.

**Step 5:** Select Student Account Suite (another webpage will open after selecting this option)

- CPD students must make payment at the time of registration.

- You can view the refund policy from this screen.

- Classes at least four weeks in length are eligible for a Convenient Payment Plan (CPP). Payment plans can be set up by selecting this payment option and entering your information by following the directions given.

**Step 6:** Select “Make a Payment.”

**Step 7:** Select “Pay” (please verify the class fees before paying).

**Step 8:** Select “Payment Method,” then select the “Go” button.
Step 9: Process payment according to online directions.  
Please verify that all of your information is correct before you submit your payment.

• Once processed, please print out the confirmation page for your records.

If you have any problems or questions, please contact your Continuing and Professional Development registration office or the campus business office.

Convenient Payment Plan (CPP)

Convenient Payment Plans are available to Continuing and Professional Development (CPD) students under the following guidelines:

1. The length of the course section must be a minimum of 30 calendar days.
2. Two plans are available: one for classes four to seven weeks in length, the other for classes eight-to-16 weeks in length. There will be a prorated $25 service fee over all installments (including the down payment) for the CPP.
3. For a four- to seven-week class, the student will pay half the total charges as a down payment (which includes half of the $25 service fee). The other half is due 30 days after the set-up date for the CPP. If this date falls on a weekend or College closure, the student is responsible to pay either online by the due date or the previous business day at any campus business office.
4. For an eight-to-16 week class, the student will pay half the total charges as a down payment (which includes one third of the $25 service fee). The other half is due in two equal installments 30 and 60 days after the set-up date for the CPP. If these dates fall on a weekend or College closure, the student is responsible to pay either online by the due date or the previous business day at any campus business office.

The student will be assessed a $25 late payment fee for failure to pay on or before the prescribed payment due dates.

5. A student will be limited to only one CPP.
6. Failure to make all payments may result in the CPP being forwarded to the collection agency of the College and subject to additional collection fees.

*Please note: If you have an academic IPP, you will be unable to set up a Continuing Education CPP plan. Only one type of plan may be set up for payment.

To register at Central, North, or South Campus call 281-542-2020.

Drops, Cancellations, and Transfers/Refund Policy

Need to drop your class?

• A 100 percent tuition refund is given if a withdrawal request is received before the class begins. No refund is given after the class begins.

• Courses that are linked with academic courses will adhere to the stated CPD refund policy.

• Withdrawal requests must come directly from the student or his/her designee. A Withdrawal/Transfer Request form will be completed by the person making the request. The official receipt date is the day and time the request is received in the CPD office. All refunds are paid by check to the student regardless of the method or source of original registration payment. Please allow three to four weeks for the refund check to be processed and mailed to the address given at the time of registration. If there has been an address change, please provide the corrected address with your withdrawal request.

North: 281-459-7116
M-Th: 7:30 a.m. - 8:45 p.m.
Fri: 7:30 a.m. - 3 p.m.
Sat: 11 a.m. - 2 p.m.
Sun: Closed
Cancelled Classes
If San Jacinto College cancels a class, a 100 percent tuition refund is automatically processed for students who do not choose to transfer to another available class. CPD personnel will make every attempt to contact you in the event a class cancels using contact information you have provided. Please make sure we have a valid daytime phone number on file for you. You may also inquire by calling your respective campus or by logging onto the SOS system on the College website: www.sanjac.edu.

Transfer Requests
Students may request a transfer into another available section prior to the first class date of the course for which they are registered. Transfers are considered only on an available seat basis.

Transcript Requests
Most CPD courses earn Continuing Education Units (CEUs), which are reported as part of your permanent student record. Un-official transcripts may be obtained and printed by logging into your SOS account. You may request copies of your transcript in person or by mail by contacting one of the campus enrollment services offices. That office will need a completed Transcript Request Form and a copy of your photo ID. For questions call 281-542-2020.

Screening Requirements for Classes with Clinicals
A criminal background check and drug screen for phlebotomy courses are required before a student can participate in a clinical assignment. This is a requirement of all clinical facilities in the Houston/Gulf Coast Area, as mandated by JCAHO (Joint Commission on Accreditation of Healthcare Organizations). The approximate cost of the screening is less than $60. Background check through Precheck.com is required at time of registration.

Linked Classes
Proof of meningitis vaccine is required for students 21 and under.

Classes labeled “Linked” are held with academic/credit classes but do not earn semester credit or transfer toward academic certificates or degrees. Enrollment into these courses is extremely limited and is on a space-available basis. Should the credit course completely fill, the concurrent/linked CPD course may be cancelled. CPD students in linked academic classes may be required to take and pass the TASP/THEA. They are held to the same performance standards TASP/THEA prerequisites required for semester credit students. Additionally, the course costs may differ for the credit section.

* Courses that are linked with academic courses will adhere to the stated CPD refund policy.

To register at Central, North, or South Campus call 281-542-2020.

Emergency Closings
Providing a safe and secure environment for our students, faculty, and staff is a top priority at San Jacinto College. In the event the College needs to close for any situation, such as inclement weather, students and employees should refer to email, text messages, and the College website at www.sanjac.edu. In addition, local television and radio stations may also broadcast bulletins announcing campus closings in emergency situations. Students and employees are encouraged to sign up for the SJC Alert Me system to receive voice and text messages in the event of a College closure. SJC Alert Me will provide San Jacinto College with another communication tool to keep students, faculty, and staff informed during threatening situations and weather-related closings. To receive voice and text messages, you must provide your telephone and/or cell phone number. There is no cost to sign up for this notification service. However, when the system sends a message to your personal phone, you are responsible for any charges from your phone service provider associated with receiving voice or text messages. For more information, visit www.sanjac.edu/alert-me.

IMPORTANT NOTICES
• Photo identification required for all in-person registrations. Se require ID para toda las registraciones en persona.

• Information contained in the schedule is subject to the policies and procedures of the San Jacinto College District and is subject to change without notice, including course pricing.

• All courses are taught in English, unless specified otherwise.

• Classes may be cancelled because of low enrollment.

• Instructors may be changed as conditions warrant.

• Room assignments and building locations may be changed as conditions warrant.

• Students must attend the class section for which they are registered.

• CPD staff and instructors provide information, not advice.

• San Jacinto College requires that its instructors not solicit business for personal gain in the classroom. Any business transaction resulting from a class is the responsibility of the student, not the College.

• Classes labeled “Linked” are held with academic/credit classes but do not earn semester credit or transfer toward academic certificates or degrees. Enrollment into these courses is extremely limited and is on a space-available basis. Should the credit course completely fill, the concurrent/linked CPD course may be cancelled. Although CPD students in linked academic classes

To register: All campuses 281-542-2020

71
are TASP/THEA exempt, they are held to the same performance standards required for semester credit students. Additionally, the course costs may differ for the credit section.

* Courses that are linked with academic courses will adhere to the stated CPD refund policy.

- ESL assessments will not be started after 5 p.m. and are done in the CPD offices.

SAN JACINTO COLLEGE WILL BE CLOSED THIS SEMESTER:

January 20, 2020 – Martin Luther King Jr. Day
March 9 - 15, 2020 – Spring Break
April 10 - 12, 2020 – Spring Holidays
May 25, 2020 – Memorial Day

NO CLASSES WILL MEET ON THESE DAYS.
Campus Carry

Purpose

The purpose of this policy is to comply with the requirements of S.B. 11, which is generally referred to as the “campus carry” law, to allow the concealed carrying of handguns by license holders on the campuses of certain institutions. The policy grants permission for a valid Texas License to Carry holder (LTC) to generally carry a concealed handgun on campus. The policy also identifies certain campus locations and activities where a valid LTC holder may be excluded from carrying a handgun due to previously existing State of Texas Statutes or exclusion zones identified by the College.

Policy Statement

The San Jacinto Community College District is committed to providing a safe environment for students, employees, affiliates, and visitors and to respecting the right of individuals licensed to carry a handgun in the state of Texas. Individuals licensed to carry a handgun may do so on campus except in locations and activities prohibited by law or by this policy. The carrying of any handgun by an unlicensed person or the open carry of a handgun is not permitted in any place at the College.

1. Individuals who hold a valid Texas License to Carry a Handgun (LTC), including a valid Texas Concealed Handgun License, (“license holders”) may (1) carry a handgun on campus so long as the handgun is not in plain view, on or about their person at all times, and under their control (e.g., in purse, backpack, bag, etc.) or (2) secure their handgun in a locked motor vehicle. The carrying of an unconcealed handgun on campus is restricted to authorized law enforcement officers and other persons who may be designated by appropriate law enforcement agencies.

All other weapons are strictly prohibited for students, faculty, staff, and visitors; their possession on campus is grounds for immediate action by law enforcement. See Section 46.05 of the Texas Penal Code for a list of weapons.

A license holder’s handgun must be concealed at all times. In compliance with Texas Penal Code §46.035(a-1), a license holder may not carry a partially or wholly visible handgun on campus premises or on any college driveway, street, sidewalk or walkway, parking lot, parking garage, or other parking area. Anyone intentionally or knowingly displaying a handgun in plain view for others to see is in violation of Texas law.

A license holder must display his or her License to Carry when directed by a law enforcement officer in accordance with section 411.205 of the Texas Government Code. Otherwise, an individual is not required to disclose whether he or she is a license holder in order to participate in any program or service offered by the College, except as required by law.

A license holder may not carry a handgun if he/she is intoxicated under Texas Penal Code 46.035(d).

2. It is the responsibility of license holders to carry their handguns on or about their person at all times. “About” the person means that a license holder may carry a holstered handgun in a backpack or handbag, but the backpack or handbag must be close enough that the license holder can grasp it without materially changing position. A license holder who carries a handgun on campus must carry it in a holster that completely covers the trigger and the entire trigger guard area. The holster must have sufficient tension or grip on the handgun to retain it in the holster even when subjected to unexpected jostling.

The College does not provide storage for handguns.

The open carry of handguns is not permitted on college premises.

3. The College is often the site of Pre-K-12 school-sponsored activities, such as field trips. When a Pre-K-12 school-sponsored activity is conducted at a particular location, the carrying of concealed handguns is prohibited. A sign shall be posted reading “Pre-K-12 school-sponsored activity in progress” during these activities. “School-sponsored activities” for purposes of this policy are defined as tours, demonstrations, field trips, events, clubs, camps, clinics, programs, etc., held on College property that are authorized by a K-12 school district or individual school(s) as a curricular, co-curricular, or interscholastic activity and are managed or supervised in part by the district or school district or school employee.

Upon a survey of the College campuses, areas identified as routinely hosting such school-sponsored activities shall be posted on the College’s rules and regulations regarding campus carry.

4. Texas Penal Code §46.03(a)(2) excludes license holders of handguns from carrying a handgun on premises of a polling place on the day of an election or while early voting is in progress according to Policy 2-19. A sign shall be posted at any polling place located on campus from the commencement of early voting through Election Day that reads either “Polling Place” or “Vote Here.” (See Electioneering Procedure 2-19A).

5. Texas Penal Code §46.035(b)(6) excludes license holders of handguns from carrying a handgun on the premises of a church, synagogue, or other established place of religious worship. A sign shall be posted that conforms to Section 30.06 of the Texas Penal Code.
6. Texas Penal Code §46.035(b)(2) excludes license holders of handguns from carrying a handgun where a high school, collegiate, or professional sporting event or interscholastic event is taking place, unless the license holder is a participant in the event and a handgun is used in the event. Notice shall be given for all collegiate sporting events. If possible, for ticketed sporting events this notice should be given by means of a written communication on the back of or appended to the ticket. Vendors and others who are permitted to enter the premises without a ticket shall be provided written notice through other means. A sign shall be posted that conforms to Texas Penal Code, Section 30.06.

7. The concealed carry of handguns shall be prohibited in areas for which state or federal law, licensing requirements, or contracts require exclusion at the exclusive discretion of the state or federal government or are required by a campus accrediting authority. Where appropriate, signage must conform to the overriding federal or state law requirements. Otherwise, notice conforming to Texas Penal Code §30.06 must be provided.

8. The concealed carry of handguns shall be prohibited in patient-care areas, including those in which professional mental health and counseling services are provided. A sign shall be posted that conforms to Texas Penal Code, Section 30.06.

9. The concealed carry of handguns shall be prohibited in areas in which formal hearings are being conducted pursuant to Code of Student Conduct (Student Handbook), academic hearings; veterans appeal hearings; financial aid appeal hearings; employee hearings; and employee grievances. A sign shall be posted that conforms to Texas Penal Code, Section 30.06.

10. The concealed carry of handguns shall be prohibited in areas where the discharge of a firearm might cause great harm, such as laboratories with extremely dangerous chemicals, biologic agents, explosive agents, critical infrastructure and areas with equipment that is incompatible with metallic objects, such as magnetic resonance imaging machines. A sign shall be posted that conforms to Texas Penal Code, Section 30.06.

11. Counselors, staff, and volunteers who work in a campus program for minors must, as a condition of their participation, agree not to carry a concealed handgun on the grounds or in buildings where the program is conducted. Parents of attendees must also agree, as a condition of their child’s participation, not to carry a concealed handgun on the grounds or in buildings where the program is conducted. “Campus program for minors” is defined as to provide oversight and training for camps and programs involving minors held on College premises or operated by the College which have recreational, athletic, religious, or educational activities for the campers. This includes all camps or programs covered by Texas Education Code, Chapter 51, Section 51.976, as well as any day camp, activity, or University Interscholastic League (“UIL”) event sponsored by the College. A sign shall be posted that conforms to Texas Penal Code, Section 30.06.

This policy does not apply to College course-based academic service learning or research approved by the Institutional Review Board (“IRB”).

12. The College shall amend the Code of Student Conduct, Faculty Handbook, and San Jacinto Policy and Procedure Manual to provide that causing the accidental or intentional showing of a firearm or the accidental discharge of a firearm is conduct subject to disciplinary action.

13. Exclusion zones created by Texas Penal Code §§46.03 and 46.035 as well as by the rules and regulations enacted under S.B. 11 may sometimes comprise only a portion of a building. In some instances it may not be feasible to exclude concealed handguns only from the designated exclusion zones. The following factors and principles shall govern the implementation of these rules and regulations in those buildings in which some, but not all, parts are designated as exclusion zones.

**Governing factors**
The percentage of assignable space or rooms in a building that are designated as exclusion zones.

- The extent to which the area (or areas) designated as exclusion zones are segregated from other areas of the building.

- The extent to which use of the building and hence its status as an exclusion zone varies from day to day or week to week.

**Governing principles:** If a small number of rooms or a small fraction of assignable space in a building is subject to exclusion, only the rooms or areas that qualify for exclusion should be excluded.

- If 85% or more of the total building in terms of number of rooms or assignable space is subject to exclusion or if the excludable space is not segregated from other space, then as a matter of practicality, the whole building may be excluded.

- Appropriate signage shall be posted that conforms to Texas Penal Code, Section 30.06.

14. The College shall develop training materials particular to San Jacinto College on how to respond to an active shooter situation. These shall be incorporated in the active shooter training, and all faculty and staff shall be required to complete this module. All students are encouraged to complete training on how to respond to an active shooter situation.
15. The College shall develop and post in a prominent place a detailed Campus Carry FAQ.

16. The College shall develop materials that educate and inform current and prospective San Jacinto College students about campus carry and how it is being implemented.

17. To the extent possible, areas within gun-exclusion zones should be made available on a scheduled basis to faculty and staff. These spaces can be used for conferences that faculty or staff would prefer to conduct in a gun-exclusion zone.

18. The following factors and principles shall govern the implementation of exclusions or allowances for Graduation ceremonies.

**Governing factors:** Off-campus location shall follow the venue's rules and regulations in regards to the permitted carrying of firearms.

- On-campus location shall follow the use of the building and/or exclusion zone criteria set forth herein.

19. The Campus Safety and Security Council, appointed by the Chancellor, shall be established and tasked, at a minimum, with the following responsibilities:

   1. Support the consistent implementation of these policies;
   2. Provide a review process for recommendations to the Chancellor; and
   3. Compile, maintain, and provide a periodic review of the premises where license holders are prohibited from carrying a handgun.

A student or a member of the faculty or staff of the College may appeal a decision regarding the implementation of a policy or procedure contained herein to the Campus Safety and Security Council for consideration. A further appeal of the decision of the Campus Safety and Security Council may be submitted to the Vice Chancellor of Fiscal Affairs for consideration. The Vice Chancellor of Fiscal Affairs may choose to make a final decision or submit the appeal to the Chancellor for consideration. The Chancellor may approve, reject or modify the decision in question or submit the issue to the Campus Safety and Security Council for reconsideration. The decision of the Chancellor to approve, reject, or modify a decision is final.

Additional policies or exclusion areas not provided for in this policy will not be the subject of or considered as a matter of appeal. In accordance with Texas Government Code, Section 411.2031, the Chancellor is authorized to enact reasonable rules and regulations regarding the concealed carry of handguns on campus.

20. Not later than Sept. 1 of each even-numbered year, the College shall submit a report to the Texas Legislature and to the standing committees of the Legislature with jurisdiction over the implementation of these policies that:

   1. Describes the rules and regulations adopted by the College regarding the carrying of concealed handguns on its campuses; and
   2. Outlines the reasons the College established the provisions adopted.

**Definitions**

**Campus:** All land and buildings owned or leased by the San Jacinto Community College District.

**College:** The San Jacinto Community College District.

**Concealed Carry:** The Texas Department of Public Safety defines a concealed handgun as a handgun not openly discernable to the ordinary observation of a reasonable person.

**Employee:** A full-time or part-time employee of the San Jacinto Community College District as defined by human resources policy and procedure.

**Exclusion Zones:** An area of campus, building, or room where the possession of a handgun is prohibited by current Texas statute or an area of campus, building, or room designated and approved by the SLT and board of trustees in which the possession of a handgun is prohibited.

**Handgun:** A handgun is any firearm that is designed, made, or adapted to be fired with one hand.

**License to Carry Holder:** A person licensed to carry a concealed handgun under Chapter 411 of the Texas Government Code.

**“On or about their person”:** A person licensed to carry a handgun must carry a handgun in a manner that the handgun is close enough to the license holder that he or she can reach it without materially changing position.

**Patient-Care Areas:** An area, including research areas, that involves the treatment or evaluation of a medical or mental health condition of a patient by a licensed health care provider or under the supervision or direction of a licensed health care provider and that results in a formal record of treatment.

**Student:** A currently enrolled student of the San Jacinto Community College District as defined by instruction policy and procedure.
Campus Carry Facts and Helpful Hints

Campus Carry takes effect for San Jacinto College on August 1, 2017.

- License to carry holders may carry a concealed handgun on campus.
- The handgun must remain concealed and within arm's reach of the license to carry holder.
- Handguns may not be openly carried.
- Handguns may not be openly displayed at any time.
- No other prohibited weapons may be carried.
- Only members of the San Jacinto College Police Department may ask someone if they are licensed to carry a concealed handgun.
- San Jacinto College does not provide handgun storage.
- Handguns may be stored in a locked motor vehicle.
- There will be several areas of campus called gun exclusion zones where a license to carry holder may not enter with a concealed handgun.
- License to carry holders are responsible for knowing gun exclusion zone locations.

What is a Gun Exclusion Zone?

An area of campus, building, or room where the possession of a handgun is prohibited by current Texas statute or an area of campus, building, or room designated and approved by the SLT and board of trustees in which the possession of a handgun is prohibited.

Gun exclusion zones will be clearly marked by signs like this sample:

Where may a License to Carry holder carry a concealed handgun?

Any area that is not designated as a gun exclusion zone. Examples: Public or private driveway

- Streets
- Sidewalk or walkway
- Parking lot, parking garage, or other parking area
- Hallways
- Classrooms
- Offices open to the general public
- Financial aid
- Nursing labs
- Culinary labs
- Gym/wellness centers

If you see someone with a handgun on campus: Do not confront him or her!

- Call San Jacinto College Police Department immediately at 5555 from college phones or 281-476-9128
- Hearing impaired text: 713-469-1071

SAN JACINTO COLLEGE COMMUNITY COLLEGE DISTRICT
MISSION AND VISION STATEMENTS

MISSION
San Jacinto College is focused on student success, academic progress, university transfer, and employment. We are committed to opportunities that enrich the quality of life in the communities we serve.

VISION
San Jacinto College will advance the social and economic mobility of all members of our community. We will be known for our excellence in teaching and learning, our intentional student-centered support, and our commitment to every student. We will be the preferred workforce and economic development partner in the region and a champion for lifelong learning. San Jacinto College will inspire students to explore opportunities, define their educational and career paths, and achieve their goals and dreams.

Our Values

Integrity: We Act Honorably and Ethically
“We conduct ourselves in ways that are professional, instill confidence, and promote trust.”

Inclusivity: We Grow through Understanding
“We respect and learn from the diversity of our cultures, experiences, and perspectives.”

Collaboration: We Are Stronger Together
“We believe in the power of working together.”

Innovation: We Embrace New Possibilities
“We anticipate change, explore opportunities, and create continuously evolving solutions.”

Campus Security and Fire Safety Report
The San Jacinto Community College District is committed to assisting all members of the San Jacinto College community in providing for their own safety and security. The annual security compliance document is available on the San Jacinto College Police Department website at www.sanjac.edu/police.

A hard copy of the report is available for review at each of the three campus police offices.

Graduation and Completion Rates
In compliance with Public Law 101-542 (as amended by P.L. 102-26), San Jacinto College publishes a report of completion rates for full-time undergraduate students seeking an associate degree, a certificate of technology, or transfer to a four-year institution. This report is updated annually. The report is available - separately for each San Jacinto College campus and is stratified by gender, ethnicity, and varsity sport. The report is available upon request in the campus president’s office. Current and prospective students and student-athletes are encouraged to avail themselves of the information in this report prior to enrolling or entering in any financial obligations with or through the College.

Accreditation Statement
The San Jacinto Community College District is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate degree.

The website and report contain information regarding campus police, personal safety, sexual assault awareness and prevention, crime reporting policies and statistics, information on compliance with the Jeanne Clery Act, crime prevention techniques, incident reporting and response, College emergency notification procedures, and the annual fire/safety report.

Equal Opportunity Statement
The San Jacinto College District is committed to equal opportunity for all students, employees, and applicants without regard to race, creed, color, national origin, citizenship status, age, disability, pregnancy, religion, gender, sexual orientation, gender expression or identity, genetic information, marital status, or veteran status in accordance with applicable federal and state laws.

No person, including students, faculty, staff, part-time, and temporary workers, will be excluded from participation in, denied the benefits of, or be subjected to discrimination or harassment under any program or activity sponsored or conducted by the San Jacinto College District on the basis of the categories listed.

The following College officials have been designated to handle inquiries regarding the College’s non-discrimination policies:

**Vice Chancellor, Human Resources**
