Record Release Authorization
For Prospective Volunteer

In accordance with Texas Education Code, Section 51.215, an institution of higher education is entitled to obtain criminal history record information that relates to a volunteer in a security sensitive position. Your application to volunteer shall **NOT** be considered complete unless the College has been given your permission to obtain such information. The College will use this criminal record information only for the purpose of evaluating volunteers with San Jacinto College in a security sensitive position.

"I have read and understand the preceding. I do hereby authorize San Jacinto College to have complete access to any and all criminal history pertaining to me on file with your agency; and I, hereby, grant permission to your agency to release all of said criminal history information to San Jacinto College."
