 RADR 1201 – Introduction to Radiography
 HESI EXAM (see below)

*BIOL 2301/BIOL 2101 must be taken within 5 years of program start date.

*RADR 1201 must be taken within 3 years of program start date.

Effective Fall 2022 ALL Prerequisite courses must be completed by application deadline.

- **Required General Education Courses:** Prior to completion of the Associate of Applied Science Degree in Medical Radiography, students will be required to complete the following Gen Ed courses as part of the degree plan. Please see Program Admission Criteria PDF on the Radiography Webpage “Application Information and Deadlines” for the complete list of courses that fulfill the Humanities or Fine Arts category.

- Psychology 2301 – General Psychology
- Humanities or Fine Arts (3 SCH)

* All Prerequisite Courses, RADR Program Courses, and required Gen Ed Courses must be completed with a “C” or higher for degree completion.

* Applicants must have a minimum GPA or 2.0 and be in good academic standing.

- **HESI A2 Exam** – Applicants must submit official HESI A2 Exam scoresheet with all 5 sections. The HESI exam is a timed, computerized test with a 4.5 hour time limit. The Exam consists of the following 5 sections: Reading Comprehension, Grammar, Vocabulary/General Knowledge, Math and Anatomy/Physiology. Students must also complete the Learning Style section however, it will not be scored. The exam is administered by the San Jacinto Medical Imaging Department on Central Campus. Students applying for the Medical Radiography program may register for an exam session at the information session attended (see first section of this document for information session dates). If a student chooses to take a second attempt the student may register after completing their first attempt. Students may only take the exam twice in any given academic year, and all 5 sections must be retaken.

The Exam must be taken within 2 years of the program application deadline. Students applying for the San Jacinto College Medical Radiography program must take their exam through the San Jacinto College Medical Imaging Program administered on central campus. Students who took the San Jacinto College Medical Radiography or Medical Imaging Exam administered through Proctor U or Prometric March 2020 to May 2022, may submit those scores provided they do not exceed the 2-year limit and were not deemed ineligible..

See the HESI A2 Information and Instructions on the Diagnostic Medical Radiography program webpage.
